Maintenance Schedule - 2006 - A6, A6 Avant - Tech ...

Service your Audi every 9,300 miles or every 12 months. Regular servicing allows you to keep your Audi performing at optimum efficiency, so you can experience the very best of German-engineering. Ensuring that you stick to regular servicing and maintenance schedules prevents the risk of costly and unforeseen repairs.

How Often Should I Service My Audi? | Group 1 Audi

For model year 2017 and later, Audi has changed their scheduled maintenance intervals to fall on the 10's rather than the 5's. Below, you will find detailed explanations of the tasks performed at each scheduled maintenance visit from the initial complimentary 10,000 mile scheduled maintenance all the way through the 130,000 mile scheduled maintenance.

Audi Scheduled Maintenance Intervals and Procedures for ...

Audi? There are two types of service schedule available: Fixed (serviced every 9,300 miles/1 year) and Flexible (up to 18,600 miles/2 years). We recommend a Flexible schedule for people who drive longer distances, typically on motorways and main roads, while a Fixed schedule is right for lower-mileage drivers who do more city and town centre driving.

Servicing - Audi UK

In 2017, Audi changed its official recommended maintenance intervals from first starting at the 5,000 mileage mark and then continuing every 10,000 to 2017 Audi models starting after the vehicle hits 10,000 miles and then continuing every 10,000 miles after that.
