Audi Dashboard Warning Lights. If you're like most people, you probably freak the frak out when lights start flashing, buzzers start buzzing, or frogs rain down upon you from the firmament. And freaking out, certainly, is a reasonable reaction to any of those changes in your otherwise benign life, which, typically, is devoid of The Unknown.

Audi Dashboard Warning Lights: A comprehensive visual guide

To find out if your model and year of your Audi uses a belt or chain, contact a Prestige Imports certified Audi technician. All Porsche vehicles use timing chains. While some timing belts, depending on the material from which they are constructed, can last up to 160,000 miles, there are no guarantees when it comes to longevity.
