Britain became a sphere of Roman interest in the 1st century B.C. Julius Ceasar attempted to conquer Britain twice, in 55 and 54 B.C., his main aim being to prevent the Britons from providing their kinsmen in today's France with military aid. But the actual Roman conquest of Britain by Emperor Claudius took place in 43 A.D.

### **BRITISH HISTORY AND CULTURE**

Over the course of the eighties, Britain had become a significantly different society to what it was before. 1979, in terms of post-war British history, seemed to mark a kind of line in the sand. 1945-79 has therefore become its own period and its own story - and that timeframe is what I used for my series of books.
