ACM-ICPC World Finals 2017 will begin on May 24, 2017 at 15:00 (UTC). This event is the main event of the year in the world of sports programming! This year ICPC Regional participation included 46,381 of the finest students and faculty in computing disciplines from 2,948 universities in 103 countries on six continents. ACM and ACM-W are excited to team up this Wednesday night with a panel of CS students who attended two conferences this Fall - Tapia and Grace Hopper. This is an opportunity to hear from your peers why they attended, what the experience meant for them, and for them to share any insight they gleaned that may be helpful to you too.
