### F30 - RICHARD CARLA

For Commission analyses at European Union and Member State level, support for such analysis is provided by regular calls for tender. A key part of the scenario modelling is the regular production of updated EU and Member State GHG emission reference scenarios under current trends and policies...

Analyzing the European Union Policy Process. Readers are provided with a practical insight into how to analyze policies and policy-making in the EU.

Analyzing policy making in the European Union means to examine, scrutinize, assess, and question the very core of what is done in the name of the EU member states. Policy is made not only by political actors at various levels of governance, but also by a pluralistic community of stakeholders, including administrators, bureaucrats, businesses, lobbyists, academics, NGOs, and civil society.

ANALYSIS OF THE MIGRATION POLICIES OF THE EUROPEAN UNION 2 Abstract The current migration of individuals into the European Union is creating an unparalleled and unprecedented crisis that has completely overwhelmed the EU Member States. Migrants entering the European Union have done so via dangerous and deadly sea and land routes,
