ANATOMY OF INJUSTICE is about the murder of an elderly white woman in Greenwood, South Carolina in 1982. The crime is described in harrowing detail. The police arrested a simpleminded black man named Edward Lee Elmore and he was tried, convicted, and sentenced to death in a matter of weeks. It's hard to read these chapters without tears.

"Race, sex, and murder in a Southern town are the explosive core of Raymond Bonner's legal drama. Anatomy of Injustice is also a brave dispatch from the trenches of a forgotten war over capital punishment. Told with a reporter's tenacity, a lawyer's acumen, and an advocate's zeal, this book is both a gripping narrative and a chilling indictment of America's justice system."
