Food Inc. , now out in DVD, is a damning indictment of the inability of the profit system to provide safe and healthy food for everyone. Its political conclusions are terribly weak.

Scene One - Food Inc. The Film starts by outlining the unrealities of the modern American supermarket, where there are no seasons and the meat has no bones. Then a bold statement - there is a deliberate veil drawn over the realities of the food production chain, which is basically a factory system, an industrialised system.

Food, Inc. is a 2008 American documentary film directed by filmmaker Robert Kenner. The film examines corporate farming in the United States, concluding that agribusiness produces food that is unhealthy, in a way that is environmentally harmful and abusive of both animals and employees. The film is narrated by Michael Pollan and Eric Schlosser.. The film received positive responses and was ...
