the exams - this is the study guide every AP® U.S. History student must have. When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® U.S. History!

By the time teens are in high school, they have already spent years wrestling with a heavy backpack. It's high time to solve this problem--and Pearson can help. Explore Pearson@home social studies products for home use.

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

A novel based on the action Battle of Gettysburg.

Organized for easy reference and crucial practice, coverage of all the essential topics presented as 500 AP-style questions with detailed answer explanations 5 Steps to a 5: 500 AP English Litera-

ture Questions to Know by Test Day is tailored to meet your study needs—whether you've left it to the last minute to prepare or you have been studying for months. You will benefit from going over the questions written to parallel the topic, format, and degree of difficulty of the questions contained in the AP exam, accompanied by answers with comprehensive explanations. Features: 500 AP-style questions and answers referenced to core AP materials Review explanations for right and wrong answers Additional online practice Close simulations of the real AP exams Updated material reflects the latest tests Online practice exercises

Barron's AP United States History Premium is aligned with the current exam and includes comprehensive subject review plus five realistic practice tests. The College Board has announced that there are May 2021 test dates available are May 3-7 and May 10-14, 2021. This edition includes: Two full-length practice tests in the book with all questions answered and explained Three full-length online practice tests with all questions answers and explained Test-taking strategies for answering multiple choice, short answer, long essay, and document-based questions Comprehensive review of all topics on the AP U.S. History curriculum, including pre-contact American Indian societies and the evolution of Colonial society; the American Revolution; the Civil War and Reconstruction; the growth of industrial America; World War I; the Great Depression; World War II; the Cold War; America in the age of Clinton, Bush, and Obama; and much more

The Federalist Papers Alexander Hamilton - Hailed by Thomas Jefferson as the best commentary on the principles of government which was ever written, *The Federalist Papers* is a collection of eighty-five essays published by Founding Fathers Alexander Hamilton, James Madison, and John Jay from 1787 to 1788, as a means

to persuade the public to ratify the Constitution of the United States. With nearly two-thirds of the essays written by Hamilton, this enduring classic is perfect for modern audiences passionate about his work or seeking a deeper understanding of one of the most important documents in US history.

Argues against educational practices that teach students to be ashamed of American history, offering a history of the United States that highlights the country's virtues while placing its darker periods in political and historical context.

NATIONAL BESTSELLER • A groundbreaking work of science, history, and archaeology that radically alters our understanding of the Americas before the arrival of Columbus in 1492—from “a remarkably engaging writer” (The New York Times Book Review). Contrary to what so many Americans learn in school, the pre-Columbian Indians were not sparsely settled in a pristine wilderness; rather, there were huge numbers of Indians who actively molded and influenced the land around them. The astonishing Aztec capital of Tenochtitlan had running water and immaculately clean streets, and was larger than any contemporary European city. Mexican cultures created corn in a specialized breeding process that it has been called man’s first feat of genetic engineering. Indeed, Indians were not living lightly on the land but were landscaping and manipulating their world in ways that we are only now beginning to understand. Challenging and surprising, this a transformative new look at a rich and fascinating world we only thought we knew.

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. *Fabric of a Nation* is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the

scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

CliffsNotes AP U.S. History Cram Plan gives you a study plan leading up to your AP exam no matter if you have two months, one month, or even one week left to review before the exam! This new edition of CliffsNotes AP U.S. History Cram Plan calendarizes a study plan for the 489,000 AP U.S. History test-takers depending on how much time they have left before they take the May exam. Features of this plan-to-ace-the-exam product include: • 2--months study calendar and 1-month study calendar • Diagnostic exam that helps test-takers pinpoint strengths and weaknesses • Subject reviews that include test tips and chapter-end quizzes • Full-length model practice exam with answers and explanations

The new edition of *American Pageant*, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the

text to interactive online learning tools to bring U.S. history to life. AP Biology Premium Prep, 2021, previously titled *Cracking the AP Biology Exam, Premium Edition*, will now include a total of 6 full-length practice tests. The Premium edition continues to provide students with comprehensive topic reviews of all AP Biology subjects, from photosynthesis to genetics to evolution. It also includes strategies for all AP Biology question types, including grid-in and short free-response questions, and contains detailed guidance on how to write a topical, cohesive, point-winning essay. This Premium edition now includes 6 full-length practice tests (4 in the book and 2 online) for the most practice possible.

Provides a comprehensive review of key test topics, test-taking strategies, and two full-length practice tests with detailed answers explanations.

The Americans focuses on nine themes: Diversity and the national identity; America in world affairs; Economic opportunity; Science and technology; Women and political power; Immigration and migration; States' rights; Voting rights; Civil rights. - p. [xxviii].

AP U.S. History Premium Prep, 2021, previously titled *Cracking the AP U.S. History Exam, Premium Edition*, provides students with an in-depth review of key terms and concepts organized by time period, including the seventeenth and eighteenth centuries, the creation of government and early democracy, the Civil War and Reconstruction, the Machine Age, the early twentieth century, post-World War America, and more. It also includes winning strategies to help students crack the multiple-choice section and detailed coverage of both essay types-DBQ (document-based question) and free-response. This Premium edition includes 6 total full-length practice tests (4 in the book and 2 online), including one brand-new exam created for this edition

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspec-

tives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course" "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts" "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework" "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test" "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways" "the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events" "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions" "period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

This practical resource shows you how to apply Sam Wineburg's highly acclaimed approach to teaching, "Reading Like a Historian," in your middle and high school classroom to increase academic literacy and spark students' curiosity. Chapters cover key moments in American history, beginning with exploration and colonization and ending with the Cuban Missile Crisis.

tion formats will help you avoid surprises on Test Day. We invented test prep—Kaplan (kaptest.com) has been helping students for 80 years, and 9 out of 10 Kaplan students get into one or more of their top-choice colleges.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote a memo to himself, noting ..".The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich society, in an article called "The Gospel of Wealth" this book. Carnegie writes that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. CliffsNotes AP U.S. History Cram Plan gives you a study plan leading up to your AP exam no matter if you have two months, one month, or even one week left to review before the exam! This new edition of CliffsNotes AP U.S. History Cram Plan calendarizes a study plan for the 489,000 AP U.S. History test-takers depending on how much time they have left before they take the May exam. Features of this plan-to-ace-the-exam product include: * 2-months study calendar and 1-month study calendar * Diagnostic exam that helps test-takers pinpoint strengths and weaknesses * Subject reviews that include test tips and chapter-end quizzes * Full-length model practice exam with answers and explanations

Concise and accessible text structured and written to follow the current AP Course and Exam Description. Content topics provide core narrative of U.S. history organized in short, focused sections. The text is aligned to course exam framework and correlated in the areas of historical thinking skills, reasoning processes, themes, and content. Text includes primary sources, special features, multiple assessment opportunities, and a complete AP U.S. History practice exam. Prior edition available.

Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexi-

bility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.
