OFF - DARIEN ELENA

Twenty-one stories on manipulating sex. At one end is Catherine Hiller's *Some Rules About Adultery*, in which a lover organizes three unsatisfying encounters so as to terminate an affair, at the other is *Strange Attractors*, in which a couple uses sex to keep a dying relationship going. By the author of *Fathers & Sons*.

Offers a non-traditional narrative that gives the stories and demented observations of amphetamine addicts.

A collection of stories and essays about having sex - or wanting to have sex - or pretending to have sex- by a writer described as giving the most artful and erotically informative instruction manual on how women make love to one another.

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does,

and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

2020 ALA Alex Award Winner 2020 Stonewall — Israel Fishman Non-fiction Award Honor Book In 2014, Maia Kobabe, who uses e/em/eir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever

write. At the time, it was the only thing I felt comfortable with strangers knowing about me. Now, *Gender Queer* is here. Maia's intensely cathartic autobiography charts her journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to her family what it means to be nonbinary and asexual, *Gender Queer* is more than a personal story: it is a useful and touching guide on gender identity—what it means and how to think about it—for advocates, friends, and humans everywhere. This special deluxe hardcover edition of *Gender Queer* features a brand-new cover, exclusive art and sketches, and a TK from creator Maia Kobabe.

Dylan Hargreave thinks I'm an actress paid to pose as his girlfriend at a North Carolina society wedding. How did this happen to me, of all people? Kendall Clarke, award-winning actuary, the veritable shining star of number crunchers who, just hours ago, learned her responsible fiancé (sorry, ex-fiancé) called off our wedding because he'd gotten one of my colleagues pregnant. What are the odds? Don't tell me you've never heard of Dylan Hargreave. Celebrity NASCAR driver? *People* magazine's Sexiest Man of the Year? Those eyes. That smile... Forget sensible! I've assessed the risk...and I'm taking it! I usually keep the brakes on, but as of now I'm taking a vacation. From me.

A haunted woman's reclusively ordered world is thrown into chaos by a houseguest who bullies her into reality and brings love into her life. A first novel by the best-selling author of *No One Belongs Here More Than You*. 125,000 first

printing.

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires. During the sex act, your attention becomes focused into a "laser beam" of concentration. This power of concentrated thought is the foundation of all magical systems. Sex Magic's "secret" is that it's a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals. Male and female energies are often entirely different and it would be folly to deny this; but experience shows that female magicians can be particularly successful in using and developing Sex Magic. Consequently, this book is aimed at both male and female readers unlike more traditional teachings written for men. Of all secret lore, Sex Magic has been reputed through the centuries to be the most dangerous. Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions. If we learn one thing from the shamanic cultures, it is the strong emphasis upon the role of the body in magic. Mind and Body are two facets of the One Thing in which Will, Imagination and Gnostic Trance are the three pillars of

success. Contrary to the principles of Eastern Tantra, Western Sex Magic emphasizes the importance of actual orgasm, both male and female. Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible, freeing up possible paranormal powers. Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness, as most people do at the moment of ecstasy. Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore. It is a complete system of Sex Magic, in theory and practice - with exercises to develop related abilities for visualization, concentration, breath control, psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation, their use in Sigil Magic and the charging of Amulets & Talismans, Group Ritual, and the assumption of god-forms when working as a priestly couple, and the divine "Chymical Marriage" of ultimate union. This book is also an introduction to the entire field of practical magic, using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques.

44 CHAPTERS ABOUT 4 MEN, BB Easton's bestselling memoir, is the inspiration for Netflix's new series: Sex/Life. BB had so much fun writing her award-winning memoir that she decided to give each of her four men his own steamy standalone. This is book two: the full story of Harley, the devilishly attractive second man to win BB's heart . . . Ronald 'Knight' McKnight was Obsessive. Possessive. Downright psychopathic. But that didn't stop me from falling in love with him . . . or falling apart when he joined the Marines.

When he left, Knight told me to 'find someone better', but I didn't. I found Harley instead. Harley James was a fun, flirty, tattooed mechanic whose face was as angelic as his secrets were sinful. He taught me how to live again. How to laugh again. But would he teach me how to love again? Over Knight's dead body. 'Raw, scorching, and totally addictive, Speed is an adrenaline-fueled ride.' Jamie Shaw, author of Mayhem

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and men-

tal models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the

story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

The Wonderful Little Sex Book is the first inspirational book about sex and sexual communication. A book that speaks from the heart to the heart, it aims to restore freshness and innocence to sex, and give readers a greater sense of serenity and more relaxed, responsible enjoyment.

An "addictive volume" of amphetamine stories from William T. Vollmann, Sherman Alexie, and more (Publishers Weekly). Speed is the most American of drugs: twice the productivity at half the cost, and equal opportunity for all. It has reinvented itself many times, from miracle cure to biker-gang scourge and everything in between. It goes by many names: crystal meth, amphetamines, Dexedrine, Benzedrine, Adderall; crank, spizz, chickenscratch, oblivious marching powder, the go-fast. And it crosses all ethnicities, genders, and geographies—from immigrants and heartlanders punching double factory shifts to clandestine border warlords; prostitutes to housewives; Hollywood celebs to the poorest Indian on the rez—and they all have plenty of stories. Here is the first contemporary collection of new short fiction dealing with the drug from an array of today's most compelling authors. The elements of crime and tweaking, bleary-eyed zombies exist alongside heart-wrenching narratives of everyday people, the American Dream going up in flames, and even some accounts of pure joy. Featuring brand-new stories by: Sherman Alexie, William T. Vollmann, James Franco, Megan Abbott, Jerry Stahl, Beth Lisick, Jess Walter, Scott Phillips, James Greer, Tao Lin, Joseph Mattson, Natalie

Diaz, Kenji Jasper, and Rose Bunch.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

SUPERANNO This book uses sexuality as a metaphor to describe what is not working in business and brings forth a new model of workplace behavior focused on driving business success--allowing and encouraging human authenticity in the workplace. The authors have been listening to the outcry from line-staff to CEO who are fed up with "business as usual." This book gives a voice to the restless masses and recommends adding intimacy into corporate America. Original.

Tomorrow the Stars^{3/4} Today, World War III! Dr. Neil Anson Clemons was born at the very moment that men first landed on the moon and always strived to become an astronaut and reach the stars. Becoming an astronaut and traveling to the stars are not easy tasks. Neil devoted his life to staying physically fit as any astronaut should be through martial arts and mentally fit by studying and becoming one of the world's foremost experts in quantum physics and gravitational theory. Now he and his team have achieved a breakthrough, both in building a warp drive, and finding a new energy source powerful enough to make the drive more than an interesting theoretical concept. With the help of attractive and outspoken southern astronaut, US Air Force Colonel Tabitha Ames, the US Government is convinced to fund the Top Secret warp project, including assembly in orbit of the first faster-than-light probe. Unfortunately, forces working behind the scenes have much darker dreams, and have infiltrated the Top Secret program. They do not hesitate to blow up a space shuttle, attempt to kill Neil and Tabitha,

and use the stolen warp technology to start what they expect to be a short, devastating, and victorious war with the United States. But Dr. Clemons has ideas for using his warp drive technology completely unsuspected by America's enemies, and repelling the all-out attack is only the beginning of a titanic struggle to reach the stars. Warp Speed is lightning-paced science fiction adventure built upon authentic science in the grand tradition of Isaac Asimov, Arthur C. Clarke, and E. E. "Doc" Smith. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Because BB Easton had so much fun writing her bestselling, award-winning memoir, **44 CHAPTERS ABOUT 4 MEN**, she decided to give each of her four men his own steamy standalone! **SPEED** is the second book in the 44 Chapters spin-off series; a gritty, taboo love triangle overflowing with dark humor and tangible teen angst. It is based on a true story. After her possessive, psychopathic, rage-fueled ex, Knight, joins the Marines, sixteen-year-old BB is left trying, and failing, to pick up the pieces of her shattered heart. It isn't until she meets Harley James; an easy-going, tattooed mechanic with a face as angelic as his habits are sinful; that she learns how to live again. How to laugh again. But will she learn to love again? Over Knight's dead body. *Due to excessive profanity, violence, graphic sexual content, and themes of juvenile drug use and delinquency, this book is not intended for; and should probably be completely hidden from; anyone under the age of eighteen.

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series **SEX/LIFE**. School psychologists aren't supposed to

write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

Please note: This is a companion version & not the original book. *Sample Book Insights: #1* A typical tall, white athlete guy named Cole. He was planning to enter a military academy for college the following fall. His friends were the jock group. He was a feminist. *#2* Don't even think about asking these kids about their dating lives. *#3* It's bad for girls, but it's worse for boys. *#4* In order to be masculine, you must never feel anything.

A treatise on the depths of amphetamine addiction by the Pushcart Prize-winning

author of *Permanent Midnight* features characters on the fringe of drug-induced psychosis whose ultimate depravities and dispossession are revealed in shattering ways.

Old Guy Dad recounts the adventures of a man who, in the proverbial autumn of his years, or at least the pre-pre-autumn, discovers his girlfriend is pregnant. And having a baby. Whereupon hijinks, cosmic and mundane, ensues. A collection of celebrated columns on *The Rumpus* with new material and never-before-told tales, *Old Guy Dad* is Jerry Stahl at his finest and most domestic.

A wickedly funny novel from the New York Times bestselling author of *Squeeze Me* in which the greedy, the corrupt, and the degraders of what's left of pristine Florida—now, of the Bahamas as well—get their comeuppance. "[A] comedic marvel ... [Hiaasen] hasn't written a novel this funny since *Skinny Dip*."—The New York Times Andrew Yancy—late of the Miami Police and soon-to-be-late of the Monroe County sheriff's office—has a human arm in his freezer. There's a logical (Hiaasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it's not called the roach patrol for nothing). But first—this being Hiaasen country—Yancy must negotiate an obstacle course of wildly unpredictable events with a crew of even more wildly unpredictable characters, including his just-ex lover, a hot-blooded fugitive from Kansas; the twitchy widow of the frozen arm; two avariciously optimistic real-estate speculators; the Bahamian voodoo witch known as the Dragon Queen, whose suitors are blinded unto death by her pecu-

liar charms; Yancy's new true love, a kinky coroner; and the eponymous bad monkey, who with hilarious aplomb earns his place among Carl Hiaasen's greatest characters.

"Terse and intense and new...I loved it." —Tommy Orange, author of *There There*
 "Fuccboi is its generation's coming of age novel...Utterly of its moment, of this moment." —Jay McInerney, *Wall Street Journal*
 A fearless and savagely funny examination of masculinity under late capitalism from an electrifying new voice. Set in Philly one year into Trump's presidency, Sean Thor Conroe's audacious, freewheeling debut follows our eponymous fuccboi, Sean, as he attempts to live meaningfully in a world that doesn't seem to need him. Reconciling past, failed selves—cross-country walker, SoundCloud rapper, weed farmer—he now finds himself back in his college city, trying to write, doing stimulant-fueled bike deliveries to eat. Unable to accept that his ex has dropped him, yet still engaged in all the same fuckery—being coy and spineless, dodging decisions, maintaining a rotation of baes—that led to her leaving in the first place. But now Sean has begun to wonder, how sustainable is this mode? How much fuckery is too much fuckery? Written in a riotous, utterly original idiom, and slyly undercutting both the hypocrisy of our era and that of Sean himself, *Fuccboi* is an unvarnished, playful, and searching examination of what it means to be a man. "Got under my skin in the way the best writing can." —Sheila Heti "Sean Conroe isn't one of the writers there's a hundred of. He writes what's his own, his own way." —Nico Walker, author of *Cherry*

The second novel in the addictive best-selling supernatural series begun with *Dead Witch Walking*. To save herself and

her vampire roommate, former bounty hunter Rachel Morgan must confront six feet of sheer supernatural seduction—the vampire master—and dark secrets she's hidden even from herself.

Winner of the International Association of Crime Writers' Dashiell Hammett Award: A woman goes on the run in this intense and cinematic thriller by an award-winning writer. To escape the awful life she has descended into, Luz plans carefully. She takes only the clothes on her back, a Colt .45, and all the money in her husband's safe. The corpses in the hallway weren't part of her plan. Luz needs to find the daughter she left behind years earlier, but she knows she may die trying. Her husband is El Principe, a key player in a high-powered drug cartel, a business he runs with the same violence he has used to keep Luz his perfect, obedient wife. With the pace and relentless force of a Scorsese film, *ANGEL BABY* is the newest masterpiece from one of the most ambitious and talented crime novelists at work today.

Release your inner vixen with these down and dirty sex secrets that will crank up the heat in the bedroom and leave him breathless...and panting for more! More than 100 tips on how to be wickedly sexy, downright forthright, uninhibited, and erotically adventurous will bring out the bad girl in you and a smile from him. Go from "Vanilla" to "Naughty" to outright "Baaaaadd" as you make your way through this coded collection of coital bliss.

A dangerous situation gives a pilot and the woman he's always wanted a second chance at love in this thrilling military romance. Major Vince DeLuca may have just accepted his most difficult recon mission ever—keeping an eye on Shay Bassett. As a pilot in the Air Force's top secret test unit, Vince keeps a cool head at

the controls. But ever since they were teens, Shay's had a way of jamming his radar. Vince owes it to her dad, his old mentor, to keep her safe—but can he do it at arm's length? Once young and desperate herself, Shay cares deeply about the troubled teens she works with. Now she's scheduled to tell Congress about Cleveland's escalating gang activity, and someone out there is trying to cut her testimony short. Living to tell the tale may depend on trusting the one man who burned her so badly years ago—and still makes her feel hot all over...

Presents a guide to maintaining a relationship with an adult diagnosed with the disorder, with information on the basics, challenges, and options for treatment.

Untamed and Undercover: Third in the Dark Ops series. Tech Sergeant Mason "Smooth" Randolph lives to push boundaries. But he never anticipated how far outside the box he would land when an in-flight accident sends him parachuting into Nevada's notorious Area 51- and into the handcuffs of sexy security cop Jill Walczak.

This story is about wrecks and recklessness, about cars being abused and murdered, and people who shouldn't reproduce. Welcome to David's world as he wrecks his way from the East to West Coast, surviving over a dozen car accidents without a scratch and countless felonies under the radar. It's a miracle he's not dead, disabled, or in prison. Luckily, he was born a Teflon baby. Mr. Hice and his friends have burned, drowned, and relentlessly trashed their vehicles. His credentials include flying a car farther than the Wright Brother's first plane flight. There were high-speed police pursuits and other legal issues. Although his license was suspended for years, he continued to drive naked in

parts of Utah, Arizona, Nevada, and California. There were multiple identities found in his briefcase when he was arrested in the Miami International Airport. Over the years he's had to hire seven different attorneys. If you've ever been in a car accident, had sex or done drugs, Baby Boomer, Gen X, Text Gen, or just need a fix, then this is the book for you. Buckle up and hunker down for a laugh-a-minute ride of a lifetime. The action begins during a high-speed slide off the I-10 near Los Angeles, a real cliffhanger. Welcome to my first ever published book! Traveling is something I enjoy doing alone and here is a compilation of my most memorable trips. This book will take you to some of the most breathtaking destinations that every traveler should visit at least once in their life. Let's start with Camarines Norte, a province situated in the northern Philippines, and have a stroll along the wide stretched white sand beach. After a relaxing stop in the Philippines, it's time to dive into the historical temples and colorful culture of Cambodia. Hint: We'll do something memorable to give back to the community. After feeding our soul, let's go straight to Bali, Indonesia and let's scream at the top of our lungs as we try the giant swing with a majestic tropical view. And for our last stop, we will visit Malaysia where some of the most Instagrammable mosques and temples can be found. If you are all ready, let's start our Asian mini-tour. Enjoy!

Explains how to use the growing practice of Orgasmic Meditation to slow down, connect emotionally, and achieve authentic female sexual satisfaction.

Draws an existential philosophy from the writings of Deleuze, an existentialism beyond voluntarism, beyond both authenticity and inauthenticity, and aiming at

beauty in the sense of becoming. A guided group tour to concentration camps in Poland and Germany allows Stahl to confront personal and historical demons with both deep despair and savage humor "Nein, Nein, Nein! is the unbelievable true story of a guided bus tour to Nazi concentration camps, told as only Jerry Stahl can tell it, with an acid wit as deadly serious as it is hilarious, insane, and weirdly life-affirming. The destinations he describes are real, but who else would dare to take us there? Stahl is fearless, gripping, and most unsparring about his own damned soul. I read everything he writes." —Eric Bogosian, actor/playwright "There's dark humor, and then there is Nein, Nein, Nein! Jerry Stahl manages a balancing act here that would put all the trapeze artists of the world to shame." —Lucy Sante, author of *Low Life* "A disturbing, funny, dark travelogue." —Marc Maron In September 2016, Jerry Stahl was feeling nervous on the eve of a two-week trip across Poland and Germany. But it was not just the stops at Auschwitz, Buchenwald, and Dachau that gave him anxiety. It was the fact that he would be traveling with two dozen strangers, by bus. In a tour group. And he was not a tour-group kind of guy. The decision to visit Holocaust-world did not come easy. Stahl's lifelong depression at an all-time high, his career and personal life at an all-time low, he had the idea to go on a trip where the despair he was feeling—out-of-control sadness, regret, and fear, not just for himself, but for the entire United States—would be appropriate. And where was despair more appropriate than the land of the Six Million? Seamlessly weaving global and personal history, through the lens of Stahl's own bent perspective, *Nein, Nein, Nein!* stands out as a triumph of strange-o-

porting, a tale that takes us from gang polkas to tour-rash to the truly disturbing snack bar at Auschwitz. Strap in for a raw, surreal, and redemptively hilarious trip. Get on the bus.

A newlywed couple is cursed with an unsexy fate in this "fun, lively read [with] lots of humour and lots of laughs" (*The French Village Diaries*). Sex isn't everything. At least, that's what rock singer Casey and drummer Alex tell themselves when they are strangely unable to consummate their marriage on their wedding night. Or the following night. Or, in fact, any night. They simply can't do it anymore, and it's not for lack of trying. Ever more inventive and increasingly desperate when tried-and-tested strategies fail them, Casey and Alex experiment with every trick of the trade, with accessories and other aids—even sex therapy. But it's as though they've been cursed. Will their love and friendship prove strong enough to withstand the trials and tribulations of a sexless marriage? Join Casey and Alex on a wild ride of self-discovery, love, laughter, and tears, where friends old and new produce a twist in the tale that will leave you breathless. "Hysterical . . . A true romantic comedy, and one for your summer reading list!" —Chick Lit Plus

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. "Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection." —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a bril-

liant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an

estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.
