An autobiography that many middle and high school students read every year is "Night" by Elie Wiesel. His story is also a memoir, covering his teen years as he and his family went from the comfort of their own home to being forced into a Jewish ghetto with other families, before ending up in a Nazi prison camp.

~~Autobiography: Definition and Examples | LiteraryTerms.net~~  
The main difference between a biography and an autobiography is the author. A biography is written by another person, while the autobiography is written by the subject of the book. This results in a series of small differences that can help you decide which type of account to choose. To write a biography, the writer will have to collect facts, usually from other people or from other written texts.
