Please note: This is a companion version & not the original book. Sample Book Insights: #1 I began working as an escort, and every day I had sex with between six and eight men. Jak always went with me in a taxi to drop me off at their homes or hotel rooms. Then he would wait for me in a café to take me to the next job. I hated it. #2 I was 14 when I got pregnant. I was ecstatic, but Jak seemed pleased about it. I had two regular clients who didn't use condoms, but Jak came inside me every time. So there was no question about whether the baby was his. #3 I was pregnant, and I was scared. I didn't understand that I was having a miscarriage. It seemed like a tragedy, when in reality it was a blessing for the child. Jak knew what he was doing when he kicked me. #4 I was becoming more and more afraid of Jak as he took control of every aspect of my life. I would fly into rages, which seemed to be triggered by jealousy that even as I became more and more confused, I seemed to enjoy. I was a willing prostitute, working for myself, but I loved Jak.

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Halakhah embodies the complete Jewish Law, and contains commandments and guidelines for day-to-day living. The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews. In this complete, all-encompassing encyclopaedia of the Halakhah, the various laws are classified in such a way that a systematic and coherent structure is obtained. Each entry of the Halakhah is presented in a logical fashion. Where applicable, the original biblical wording is given, extended with literal abstracts from the Torah. Next, problems and questions that may arise from that law are stated and any additional information given. Finally, each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life - where to be and where not to be, what to do and what not to do, what to say and what not to say. The Halakhah, or standard Jewish Law, combines the Mishnah (about 200 CE), the Tosefta (about 300 CE), and the two Talmuds (about 400, 600 CE for the Land of Israel and Babylon, respectively). Volumes I and II contain entries pertaining to the Jewish people in relationship to God. Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis. In Volumes IV and V of this study, we take up the life of the Jewish household in their encounter with God. The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I eventually managed to visit Christoph, and told him that my mother wanted to visit me. He took a photograph of me standing next to the café owner, smiling and holding some cups on a tray. The next day, he gave me a print of the photo and said, Put it in your bag. You can show it to your mum when she comes. #2 I was excited to see my mother again, and I was excited to tell her the truth. I was aware of Christoph following me on several occasions while my mother was in Athens. I was not going to let anything spoil the few precious hours I had with my mother. #3 I had planned a surprise for my mother that night. Using what was left of the 250 euros Christoph had given me, I took her to a port just outside the city to have a meal at one of its fish restaurants. We walked through a marina and decided which of the many expensive boats we would buy if we had a few million euros. #4 I had been working in a café in Athens when Christoph came to get me. I was taken to a Greek town on the coast, where I was met by a very camp Greek brothel owner named Dimitri. I was given some hair extensions and some nice underwear.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had a tightly coiled ball of anger inside me that sometimes erupted into bad behavior. I was not ever violent, but I was argumentative and determined to do whatever ill-advised thing I had set my mind on. I began wagging school and running away from home at age 12. #2 I missed my dad, but I was happy to be away from him. I felt like it was my responsibility to look after my sister and the two other kids who stayed with us at the weekends, so I told them stories and pretended I wasn't afraid. #3 I had a difficult time moving out of my mother's house. I was upset when I found out that our new house was on a rough housing estate, and that kids like me were picked on and sometimes physically assaulted. #4 I had always done well in school, so I was looking forward to moving on to secondary school. But when I started to get bullied, I began to change myself in order to fit in. I eventually became friends with one of the bullies, and together we would prank call people.

"She needed a husband... He needed the money. Preston: When an opportunity comes knocking, you shouldn't question it. Unless it comes in the form of a 5'2", feisty, loudmouth girl who just so happens to hate your guts. The same girl you haven't been able to get out of your head for three years. But, I'm a gambler by nature. A risk taker. I just have to make sure I don't end up giving her more than what we both bargained for. Like the messed-up thing beating in my chest. Kit: There's no one on earth I hate more than Preston Holden. As if our past didn't give me enough of a reason--he's also a cocky, arrogant jerk with a gambling problem. Unfortunately for me, he just so happens to be the only guy I can ask to help me with my issue. It's simple. He needs the money. I need a husband. It's strictly business. A one-year stint between enemies. No strings. No feelings--other than our mutual dislike for one another. But the thing about hate? It can flip on a dime. It can have you questioning things about yourself you never thought you would. And if I'm not careful--things are going to get even more complicated between us. You know the saying--'til death do us part? Well, in our case? It includes all the complicated parts."--Amazon website.
