Buy Breathing Eden: Conversations with God on Light, Fresh Air, and New Things by Camp, Jennifer J (ISBN: 9780997066944) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Breathing Eden is an incredible book of conversations between women and God. Each story has space and activities for individual contemplation and response to how God is speaking to the reader. As I read, even when the details of the woman's story may not have paralleled my own story, often I could relate the exchange to my own story in a way that resonated with my heart and God's message to me.
