229 - EMILIANO SULLIVAN

This book is a complete presentation of the use of jeet kune do in the close-in grappling range. Hart-sell, one of Bruce Lee's original students, takes a clear cut, no-nonsense approach to a complete fighting form that incorporates moves from boxing, wrestling, karate, jujitsu, judo, savate, kali and escrima.

Illustrates how top mixed martial-arts fighters effectively use strike combinations, in a guide to essential tactics that includes coverage of footwork, recommendations for merging defensive and offensive moves and tips for overcoming range-related challenges. Original.

In the spring of 1959, eighteen-year-old Bruce Lee returned to San Francisco, the city of his birth. Although the martial arts were widely unknown in America, Bruce encountered a robust fight culture in the Bay Area, populated with talented and trailblazing practitioners such as Lau Bun, Chinatown's aging kung fu patriarch; Wally Jay, the innovative Hawaiian jujitsu master; and James Lee, the Oakland street fighter. Regarded by some as a brash loudmouth and by others as a dynamic visionary, Bruce spent his first few years back in America advocating for a modern approach to the martial arts, and showing little regard for the damaged egos left in his wake. The year of 1964 would be an eventful one for Bruce, in which he would broadcast his dissenting worldview before the first great international martial arts gathering, and then defend it by facing down Wong Jack Man—Chinatown's young kung fu ace—in a legendary behind-closed-doors showdown. These events were a catalyst to the dawn of martial arts in America and a prelude to an icon. Based on over one hundred original interviews, *Striking Distance* chronicles Bruce Lee's formative days amid the heated martial arts proving ground that thrived on San Francisco Bay in the early 1960s.

Bruce Lee Jeet Kune Do is the iconic book presenting the martial art created by Bruce Lee as explained in the master's own words. In 1970, Bruce Lee suffered a back injury that confined him to bed. Rather than allowing this to slow his growth as a martial artist, he read feverishly on Eastern philosophy and Western psychology and self help books, constructing his own views on the totality of combat and life. It was during this time that Lee wrote 7 volumes containing his thoughts, ideas, opinions, and research into the art of unarmed combat, and how it applies to the everyday life. Some of this material was posthumously published in 1975, but much more existed. This landmark book serves as a more complete presentation of Bruce Lee's notes on his art of Jeet Kune Do. The de-

velopment of his unique martial art form, its principles, core techniques, and lesson plans are presented here in Lee's own words. It also features Lee's illustrative sketches and his remarkable treatise on the nature of combat, success through martial arts, and the importance of a positive mental attitude in training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself," that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. *Jeet Kune Do: A Comprehensive Guide to Bruce Lee's Martial Way* is a book every Bruce Lee fan must have.

"The straight punch is the core of Jeet Kune Do."—Bruce Lee The straight lead was a key element in Bruce Lee's development of his own personal style. It was designed to be uncomplicated, economical, and brutally effective but is not as simple as it might seem. Bruce Lee once described it the most difficult move in the Jeet Kune Do arsenal. Lee developed JKD as a response to the shortcomings he found in traditional martial arts, but it also includes elements of Western combat systems that he found effective. It incorporates contributions ranging from Jack Dempsey's approach to boxing to the fencing style of Aldo Nadi. In *The Straight Lead: The Core of Bruce Lee's Jun Fan Jeet Kune Do*, author Teri Tom describes the development of the straight punch in Western martial arts and describes Bruce Lee's refinement of the technique. It also offers a thorough instruction in the complexity and power of the move—showing martial artists of any discipline how to incorporate this devastating attack into their repertoire. With forewords by Shannon Lee Keasler and Ted Wong, chapters include: A Brief History of Straight Punching Evolution of Jeet Kune Do's Straight Lead The Stance Mechanics of the Straight Lead Footwork Why the Straight Lead? Application Speed Variations of the Straight Punch What Jun Fan Jeet Kune Do is Not Go to the Source An Interview with Ted Wong Part of the Bruce Lee's Fighting Method series, this book demonstrates simple, effective methods for dodging and deflecting incoming blows. It offers advice for improving the speed, power, and accuracy of your kicks and punches.

THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. I BEG YOU FOR YOUR FORGIVENESS IN ADVANCE . . . The Game recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could ever have dreamed, he falls head over heels for a woman who can beat him at his own game. Jaw-drop-

ping and hilarious, *The Game* reveals the naked truth about sex, love, relationships - and getting exactly what you want.

Black and white photographs illustrate the self-defense techniques developed by Bruce Lee.

An illustrated collection of inspirational and thought-provoking quotations by martial artist and actor Bruce Lee.

Part of the Bruce Lee's Fighting Method series, this book teaches how to perform jeet kune do's devastating strikes and exploit an opponent's weaknesses with crafty counterattacks like finger jabs and spin kicks.

Learn how to build a personal kicking system for competition and self-defence from two members of the Black Belt Hall of Fame, George Chung, a taekwondo stylist, and Cynthia Rothrock, an expert in northern Shaolin kung fu, as they demonstrate the impeccable kicking skills that made them tournament kata champions.

This enduring bestseller, written over six months when Lee was bedridden with back problems, compiles philosophical aphorisms, technique explanations, and sketches by the master himself.

Drawing from conversations with his childhood classmates, former students, and friends, chronicles the life and teachings of the martial artist and provides a breakdown of his technique.

Duncan Leung was introduced to Wing Chun Kung Fu by his childhood friend, Bruce Lee. In 2002 he accepted perhaps the greatest challenge of his life: to train six Chinese teenagers to become world-class professional fighters within two years.

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world.

"The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate" (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as

a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played on-screen.

In this book, Grandmaster Allen Joe tells an extraordinary personal story of his family, true love, triumph, heartbreaks, and his best friends. Here is the true story told with enormous honesty, keen insight, passion, and essence of the human life. Allen takes us inside his family in Oakland's Chinatown before World War II and shares his experience of war and meeting his best friend, Bruce Lee. When Bruce and Linda were married in 1964, they moved to Oakland and lived with James Lee, his wife, and two children. As you read the story of Allen's life, you will learn how Allen's long-time friendship with James led to a meeting with Bruce in Seattle. As a reader, you will enter Bruce Lee's world and get to know James, Bruce, Allen, and George, the Four Musketeers. Linda, Bruce Lee's widow, says, "I know Allen's story will help people better understand Bruce Lee's story—the story of achieving excellence against all odds. That is what this book is about." "There are certain friends of my father I have gotten to know throughout my life that hold their friendship with my father in such a place of pure love. Their radiance blesses me every time I see them. Uncle Allen is one such friend. Thank you, Allen, for being such a bright light in my life." — Shannon Lee, Bruce Lee's daughter and chairman of the Bruce Lee Foundation "Allen Joe's story reveals how, when faced with long odds of success, persistently cultivating physical strength and mental strength enables us to overcome enormous odds. The bonds of friendship between Allen Joe and Bruce Lee offer every reader a powerful philosophy of living, innovating, and thriving." — Sarah Miller Caldicott, great-grandniece of Thomas Edison; author of *Midnight Lunch* and *Innovate Like Edison*

Jeet Kune Do is the most complete martial arts system developed by the late Bruce Lee which is a compilation of various arts and elements amalgamated to make the most effective hand to hand combat method known to man. The Author uses elements from Jun Fan, Kali, Shootfighting and other sources to give the student a recipe that will make him a better martial artist/fighter. You will also discover within the pages of this fascinating book the philosophical elements and concepts that will make you a 'thinking' martial artist. A must have book for any martial arts student regardless of style or system. Fully illustrated with over 400 B/W photos. This edition also includes personal photos from the authors archives.

"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book in-

cludes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

"A teacher is never a giver of truth—he is a guide, a pointer to the truth that each student must find for himself. A good teacher is merely a catalyst."—Bruce Lee Within the pages of Striking Thoughts, you will find the secrets of Bruce Lee's amazing success— as an actor, martial artist, and inspiration to the world. Consisting of eight sections, Striking Thoughts covers 72 topics and 825 aphorisms—from spirituality to personal liberation and from family life to filmmaking—all of which Bruce lived by. His ideas helped energize his life and career, and made it possible for him to live a happy and assured life, overcoming difficult obstacles with seeming ease. His ideas also inspired his family, friends, students, and colleagues to achieve success in their own lives and this personal collection will help you in your journey too. Sections include: On First Principles—including life, existence, time, and death On Being Human—including the mind, happiness, fear, and dreams On Matters of Existence—health, love, marriage, raising children, ethics, racism, and adversity On Achievement—work, goals, faith, success, money, and fame On Art and Artists—art, filmmaking, and acting On Personal Liberation—conditioning, Zen Buddhism, meditation, and freedom On the Process of Becoming—self-actualization, self-help, self-expression, and growth On Ultimate (Final) Principles—Yin-yang, totality, Tao, and the truth This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

'This belting read pulls off the nifty trick of making the kung fu legend's spiritual and combat ideas accessible' Maxim 'Truly gets under the skin of this iconic figure' Film Review In the 1970s Bruce Lee emerged as the world's greatest fighting star - an accolade he has kept ever since. He battled to succeed in America in spite of the racial prejudice that denied him a starring role, eventually making films in Hong Kong that turned him into a star - the highest-paid movie star of his day. His controversial death, at the age of thirty-two when he was at the height of his powers, has given him a James-Dean style enduring appeal. In *Bruce Lee - Fighting Spirit*, Bruce Thomas has written a complete account not only of Lee's life and death, but of the fighting philosophy he developed (jeet kune do) which made him the greatest exponent of martial arts in modern times. In this updated edition he reassesses Lee's skills and examines the enduring impact of his legacy - on action films and martial arts today. As an icon Bruce Lee's popularity continues to grow and this book is a fitting tribute to an extraordinary man whose achievements have never been surpassed. 'An endlessly stimulating account of Lee's life and times' Loaded

A guide to the martial arts as taught by Bruce Lee includes information about other self-defense practitioners.

This new edition of Bruce Lee's classic work rejuvenates the authority, insight, and charm of the master's original 1963 publication for modern audiences. It seamlessly brings together Lee's original language, descriptions and demonstrations with new material for readers, martial arts enthusiasts and collectors that want Lee in his purest form. This timeless work preserves the integrity of Lee's hand-drawn diagrams and captioned photo sequences in which he demonstrates a variety of training exercises and fighting techniques, ranging from gung fu stances and leg training to single- and multiple-opponent scenarios. Thought-provoking essays on the history of gung fu, the theory of yin and yang, and personal, first-edition testimonials by James Y. Lee, the legendary Ed Parker, and jujutsu icon Wally Jay round out this one and only book by Lee on the Chinese martial arts. -- from back cover.

This book disrupts disciplinary boundaries to make a case for the future direction and growth of martial arts studies as a unique field

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world—including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript

was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Learn the secrets to obtaining Bruce Lee's astounding physique with this insightful martial arts training book. The Art of Expressing the Human Body, a title coined by Bruce Lee himself to describe his approach to martial arts, documents the techniques he used so effectively to perfect his body for superior health and muscularity. Beyond his martial arts and acting abilities, Lee's physical appearance and strength were truly astounding. He achieved this through an intensive and ever-evolving condi-

tioning regime that is being revealed for the first time in this book. Drawing on Lee's notes, letters, diaries and training logs, Bruce Lee historian John Little presents the full extent of Lee's unique training methods including nutrition, aerobics, isometrics, stretching and weight training. In addition to serving as a record of Bruce Lee's training, The Art of Expressing the Human Body, with its easy-to-understand and simple-to-follow training routines, is a valuable source book for those who seek dramatic improvement in their health, conditioning, physical fitness, and appearance. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: Jeet Kune Do

A synthesis of Eastern and Western ways, Bruce Lee's personal philosophy is presented in The Warrior Within. Life affirming secrets are just ahead.
