CA-IPCC Auditing and Assurance

This Intergovernmental Panel on Climate Change Special Report (IPCC-SREX) explores the challenge of understanding and managing the risks of climate extremes to advance climate change adaptation. Extreme weather and climate events, interacting with exposed and vulnerable human and natural systems, can lead to disasters. Changes in the frequency and severity of the physical events affect disaster risk, but so do the spatially diverse and temporally dynamic patterns of exposure and vulnerability. Some types of extreme weather and climate events have increased in frequency or magnitude, but populations and assets at risk have also increased, with consequences for disaster risk. Opportunities for managing risks of weather- and climate-related disasters exist or can be developed at any scale, local to international. Prepared following strict IPCC procedures, SREX is an invaluable assessment for anyone interested in climate extremes, environmental disasters and adaptation to climate change, including policymakers, the private sector and academic researchers.

First Edition of this book got released at the end of November 2014 and took the blessings of "The Trio" of CA Education - SSR sir, RSN sir and MFJ sir and went into the hands of MT Educare students, with the administrative support of Mr. Sheik sir & Team. This book has got an unbelievable response and students just showered praises on me (the actual credit should go to almighty). Students rejoiced reading this pocket book and gave good insights to make it more wonderful. Its Exam time in May 2015 and many students asked me "Sir what to read in indirect tax?" and I gave only one reply "Revise That's it...!!!" and post completion of exams, my Gmail and facebook flooded with appreciation of that's it as it was very handy for them before exam and they are able to perform well in exams. The point is so simple; in subjects like indirect tax you should be very strong on provisions and intricate points and should have conceptual clarity. Finally, when you revise and revise, you will have command over the subject and will be waiting for the question paper to arrive. Now, you are holding the second edition of this book and hope you too make best use out of this book for your exams. In this edition amendments carried out upto April 30, 2014 has been covered, which are applicable for November 2015 exams
