Conrad's disturbed witness to savagery in the Congo finds an equivalent savagery when he returns to the 'sepulchral city' - a city of dead souls like the surreal London of Eliot's great poem. If we read The Waste Land as a vision, we will pick up hints and guesses of something that is not a wasteland, that is anti-wasteland.

"Joanna Archer, Agent of Light, has survived a violent initiation into the paranormal world lurking behind the seedy seams of Las Vegas. She's found a home, friends, and even the chance for a new life and love. But evil never rests, and to save her beloved city, and herself, Joanna must venture into a new world hidden among the shadows, one where the line between good and evil is barely ...
