(Black & White version) Fundamentals of Business was created for Virginia Tech's MGT 1104 Foundations of Business through a collaboration between the Pamplin College of Business and Virginia Tech Libraries. This book is freely available at: <http://hdl.handle.net/10919/70961> It is licensed with a Creative Commons-NonCommercial ShareAlike 3.0 license.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

This book has been designed to discuss the fundamental concepts, procedures and practices of Financial Management. This book aims to fulfil the requirement of students for undergraduate courses in commerce and management, particularly the B.Com. (H) Vth Semester/Annual Mode of Delhi University and other Central Universities throughout India. The Present Publication is the 17th Edition, authored by Dr. R.P. Rustagi, with the following noteworthy features: • [Simple, Systematic & Comprehensive Explanation] The subject matter is presented in a simple, systematic method along with a comprehensive explanation of the concept and theories underlying financial management. The

book tries to explain the subject matter in a non-mathematical and non-technical way • [Student-Oriented Book] This book has been developed keeping in mind the following factors: o Interaction of the author/teacher with their students in the classroom o Shaped by the authors'/teachers' experience of teaching the subject matter at different levels o Reactions and responses of students have also been incorporated at different places in the book • [MCQs, Graded Illustrations and Theoretical Questions] have been added at the end of different chapters • [Financial Decision Making through EXCEL] is explained with the help of several numerical examples from different topics • [Latest Question Papers] Questions that appeared in the Latest Question Paper of Delhi University have been incorporated at appropriate places • [New Chapter on Capital Budgeting: Techniques of Evaluation] has the following features: o Basic principles of calculation of Cash Flows for capital budgeting proposals have been summarised for quick reference o A new section to deal with the Analysis of Risk in Capital Budgeting proposals has been introduced o Discussions on the Modified Internal Rate of Return have been inserted. • The structure of this book is as follows: o Synopsis (Chapter Plan) o Main Body (Contents) o Points to Remember o Graded Illustrations o Object Type Questions (True/False) o Multiple Choice Questions o Theoretical Assignments o Problems (Unsolved Questions with Answers) Contents of this book are as follows: • Background o Introduction to financial management, finance function and financial decision-making have been explained in Part I. The basic concepts of Risk-Return trade-off and the Time Value of Money have also been explained in detail in Part I, comprising of Chapters 1 and 2 • Long-Term Investment Decisions: Capital Budgeting o Part II of the book deals with long-term investment decisions, i.e. the capital budgeting process. Chapter 3 explains the significance and process of capital budgeting. The different techniques of evaluation of capital budgeting proposals have been discussed in Chapter 4. • Financing Decision o The Financing Decision deals with the leverage and the formation of the capital structure of any firm, and it has been discussed in detail in Part III. The cost of capital, an important concept for capital budgeting and financing decisions, has been taken up in Chapter 5. Chapters 6 and 7 deal with the Leverage Analysis and EBIT-EPS Analysis. Different theories on the relationship between the leverage, cost of capital and value of the firm have been taken up in Chapter 8. The theoretical considerations for planning the capital structure have been summarised in Chapter 9 of the book. • Divided Decision o Part IV (Chapters 10 & 11) deals with another important area of decision making, i.e. the Dividend Decision. Besides giving an analytical overview of different models on the relationship between dividend decisions and the value of the firm, an attempt has also been made to give the determinants of dividend policy for any firm. • Management of Current Assets o Part V deals with the management of current assets (to-

tal as well as individual). Chapter 12 deals with the planning and management of total working capital and discusses the basic trade-off between liquidity and profitability. The estimation of total working capital requirement has been taken up in Chapter 13. The management of individual elements of working capital, i.e. the Cash, Receivables and Inventory, has been taken up in Chapters 14, 15 and 16, respectively, of the book. • Valuation of Securities has been discussed in Chapter 17 in Part VI of the book • Appendices o Financial Decision Making with Excel o Past Year Question Papers with Suggested Answers to Practical Questions o Mathematical Tables

This text/workbook is part of the Slater, College Accounting, 8/e package. Backed by Jeffrey Slater's 31+ years' teaching experience, College Accounting returns once again in this updated and improved Eighth Edition. This revision retains the renowned Slater approach-presenting material in small, manageable units followed by immediate feedback and includes great features ( The Continuing Problem and Dunkin' Donuts boxes) and new enhancements: new computerized accounting workshops with Peachtree, new Chapter opening boxes, free on-line study guide, new on-line course, and new technology supplements. Slater is the ONLY college accounting text to cover perpetual inventory

The study guide and the working papers for the text assignments are provided together in one resource for your convenience. Written by the text authors to ensure accuracy and consistent quality, this resource provides chapter outlines linked to learning objectives and a set "C" of assignments that include review questions, exercises, and problems to enhance your learning experience.

While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

The leading Heintz/Parry's COLLEGE ACCOUNTING, 22E combines a step-by-step approach with excellent examples that make accounting understandable, regardless of the reader's accounting background or business experience. Overview: Price/Haddock/Farina has been a long-time market leader because of its readability and relevance. The book includes many real-world examples, high-interest problems and activities, in-text help and practice, and classroom-tested dynamic pedagogy. With the addition of McGraw-Hill's Connect Accounting, the new edition includes more technology support than ever before.

This chapter-by-chapter learning aid systematically and effectively helps students study college accounting and get the maximum benefit from their study time. Each chapter provides a Summary Practice Test with fill-in-the-blanks, multiple choice, and true/false problems AND solutions to all the questions, and the Working Papers Working Papers contain tailor-made spreadsheets to all end-of-chapter problems.

Through proven pedagogy, time-tested and accurate problem material, and a straightforward approach to the basics of accounting, Price/Haddock/Farina's College Accounting, 15/e offers first-time accounting students a path to understanding and mastery. The authors represent the breadth of educational environments—a community college, a career school, and a four-year university—ensuring that the text is appropriate for all student populations. Throughout, they have adhered to a common philosophy about textbooks: they should be readable, contain many opportunities for practice, and be able to make accounting relevant for all. College Accounting, 15/e is available with McGraw-Hill Connect®. Connect is a learning platform proven to deliver better results for students and instructors. Textbook content integrates seamlessly with enhanced digital tools to create a personalized learning experience that provides students with precisely what they need, when they need it. With Connect, the educational possibilities are limitless.

Accounting Principles: A Business Perspective uses annual reports of real companies to illustrate many of the accounting concepts in use in business today. Gaining an understanding of accounting terminology and concepts, however, is not enough to ensure your success. You also need to be able to find information on the Internet, analyze various business situations, work effectively as a member of a team, and communicate your ideas clearly. Accounting Principles: A Business Perspective will give you an understanding of how to use accounting information to analyze business performance and make business decisions. The text takes a business perspective. We use the annual reports of real companies to illustrate many of the accounting concepts. You are familiar with many of the companies we use, such as The Limited, The Home Depot, and Coca-Cola Company. Gaining an understanding of accounting terminology and concepts, however, is not enough to ensure your success. You also need to be able to find information on the Internet, analyze various business situa-

tions, work effectively as a member of a team, and communicate your ideas clearly. This text was developed to help you develop these skills.

The book provides comprehensive coverage of the course-content requirements of the students appearing in the paper 'Management Accounting' at the B.Com, M.Com, BBA, and MBA Examinations of different Indian Universities. The book has been divided into THREE Convenient Sections. Each section covers a different aspect of 'Management Accounting' with the subject divided into chapters covering different topics systematically and concisely. The unique features of this book lie in its simplicity of style and systematic presentation of theory and graded practical illustrations which have made it user-friendly mainly for the students. This book's other main strengths are exhaustive text plentiful illustrative examples and end-of-the-chapter exercises with answers. NEW FEATURES IN THIS EDITION Updated position regarding, IFRSs and steps for their convergence in India. Certain new concepts viz. Target Costing, Kaizen Costing, and Balanced Scorecard have been incorporated in Chapter 3 (Section A) and Appendix 1 of the book. Schedule III regarding the presentation of financial statements as per the Companies Act, 2013 has been incorporated as Appendix 5 to the book.

Marty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him. Marty's friend David is sure that Judd will be named as the murderer of a man who has been missing. Others are sure that Judd is behind a series of burglaries in the area. But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has Shiloh, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Then a terrifying life-or-death situation brings this dilemma into sharp focus. Saving Shiloh is a powerful novel that brings this trilogy to a close.
