Coming Apart: The State of White America, 1960-2010 ...

Book Summary: "Coming Apart: The State of White America, 1960-2010" by Charles Murray explains why white America has become fractured and divided by education and class. Drawing on five decades of statistics and research, this book demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship—divergence that has nothing to do with income inequality and that has grown during good ...

Coming Apart: The State of White America, 1960-2010 ...

Coming Apart excludes non-whites from its discussions of unemployment, out-of-wedlock births, and other troublesome social indicators, but at the end of the book Murray recalculates his findings to...

Timothy Noah Reviews Charles Murray's "Coming Apart: The ...

Coming Apart isolates the white culture of America to avoid the impact of race on the formation of values. Murray compares the culture of the 1960s to the culture of 2010 using a wide array of studies. At times, the amount of information is almost too much to take in. But the implications are hard to miss.
