The knowledge and skills students need to be prepared for mathematics in college, career, and life are woven throughout the mathematics standards. They do not include separate Anchor Standards like those used in the ELA/literacy standards.

The Common Core concentrates on a clear set of math skills and concepts.

Mathematics Standards | Common Core State Standards Initiative

MATH II — RELEASED ITEMS 2 Go to the next page. 3 The time, t , in hours, that it takes x people to plant n trees varies directly with the number of trees, and inversely with the number of people. Suppose 6 people can plant 12 trees in 3 hours.

Fall 2014 RELEASED

Four states that initially adopted Common Core have since decided to repeal or replace it: Indiana, Arizona, Oklahoma, and South Carolina. [failed verification] Standards were released for mathematics and English language arts on June 2, 2010, with a majority of states adopting the standards in the subsequent months.
