### **Coping with cross-examination and other pathways to ...**

Purpose: The purpose is to examine the psychology behind cross-examination, how one is to think on the stand, which words should be used and which need to be avoided, and the interplay between attorney and witness. The author presents the issue of testifying in the hopes that the reader's fear will be alleviated and ultimately be mastered.

### **Cross-examination: A Brief Summary - InBrief.co.uk**

Watch a cross-examination. Don't rely on movies or TV shows. Instead, go into a courtroom and watch a trial. Pay attention to how attorneys ask questions and how witnesses respond. Take a notepad with you so you can capture your thoughts as you watch the cross-examination. Be objective and ask yourself which witnesses seem the most credible.

One of the aims of cross-examination is to cast doubt on, and undermine the evidence given by the witness. Questions can therefore be put in cross-examination with a view to attacking the credibility of the witness. The credibility of a witness depends upon the

witness's: Knowledge of the facts to which they testify;

Description this book Coping with Cross-Examination and Other Pathways to Effective Testimony Health professionals, substance abuse counsellors, psychologists, handwriting analysts and experts on physical evidence should be interested in this book that teaches readers about the typical techniques attorneys use to challenge experts credibility and the basis of their opinions.Coping with Cross-Examination and Other Pathways to Effective Testimony Health professionals, substance abuse ...

The House narrowed the Rule to the more traditional practice of limiting cross-examination to the subject matter of direct examination (and credibility), but with discretion in the judge to permit inquiry into additional matters in situations where that would aid in the development of the evidence or otherwise facilitate the conduct of the trial.

I have just finished reading Stanley Brodsky's Coping With Cross Examination. I absorbed it like a sponge. Although most of the book is devoted to testimony by mental health experts in criminal court, there is much in the book that is very relevant in other contexts.

Only by having an alert, fresh mind, can the cross-examiner deal with the give-and-take spontaneity that cross examination involves. All of this is, of course, easier said than done. There are...

### **Coping With Cross-Examination and Other Pathways to ...**

Regardless of whether the questions came from clients inquiring about their cases, from a senior partner asking about a brief you wrote, or from a judge cross-examining you during a motion hear-

ing, it's always a frustrating experience when you're asked difficult questions that you haven't anticipated and aren't fully prepared to answer.
