To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer iPn colonial Jamestown. Ralph buys a wife for himself - a girl named Jocelyn Leigh - little knowing that she is the escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph - indeed, she seems to abhor him. Carnal, Jocelyn's husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn, and their two companions - Jeremy Sparrow, the Separatist minister, and Diccon, Ralph's servant - as they escape from the King's orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate "Kirby". The pirates gleefully play on with Ralph's masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Jeremy Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but the Englishmen (and woman) are rescued by the Governor's ship.

The war is over, but for thirteen-year-old Rachel, the battle has just begun. Putting childhood behind her, she knows what she wants - to prove she has acting talent worthy of the school drama club, and what she doesn't want - to romantically fall for someone completely inappropriate. Worries about her veteran brother's failing health and repugnance at her mother's unexpected and unwanted pregnancy drive her to seek solace from a seemingly sympathetic, but self-serving teacher. The lies she tells herself hoping to reach solutions to the problems complicating her life merely function to make matters worse. Ultimately, she finds a way to come to terms with life as it reaches an end and life as it begins.

The idea for Dropped Threads: What We Aren't Told came up between Carol Shields and longtime friend Marjorie Anderson over lunch. It appeared that after decades of feminism, the "women's network" still wasn't able to prevent women being caught off-guard by life. There remained subjects women just didn't talk about, or felt they couldn't talk about. Holes existed in the fabric of women's discourse, and they needed examining. They asked thirty-four women to write about moments in life that had taken them by surprise or experiences that received too little discussion, and then they compiled these pieces into a book. It became an instant number one bestseller, a book clubs' favourite and a runaway success. Dropped Threads, says Anderson, "tapped into a powerful need to share personal stories about life's defining moments of surprise and silence." Readers recognized themselves in these honest and intimate stories; there was something universal in these deeply personal accounts. Other stories and suggestions poured in. Dropped Threads would clearly be an ongoing project. Like the first volume, Dropped Threads 2 features stories by well-known novelists and journalists such as Jane Urquhart, Susan Swan and Shelagh Rogers, but also many excellent new writers including teachers, mothers, a civil servant, a therapist. This triumphant follow-up received a starred first review in Quill and Quire magazine, which called it "compassionate and unflinching." The book deals with such difficult topics as loss, depression, disease, widowhood, violence, and coming to terms with death. Several stories address some of the darker sides of motherhood: - A mother describes how, while sleep-deprived and in a miserable marriage, she is shocked to find infanticide crossing her mind. - Another woman recounts a memory of her alcoholic mother demanding the children prove their loyalty in a terrifying way. - A woman desperate for children refers to the bleak truth as: "Another Christmas of feeling barren." Narrating the fertility treatment she undergoes, the hopes dashed, she is amusing in retrospect and yet brutally honest. While they deal with loss and trauma, the pieces show the path to some kind of acceptance, showing the authors' determination to learn from pain and pass on the wisdom gained. The volume also covers the rewards of learning to be a parent, choosing to remain single, or fitting in as a lesbian parent. It explores how women feel when something is missing in a friendship, how they experience discrimination, relationship challenges, and other emotions less easily defined but just as close to the bone: - Alison Wearing in "My Life as a Shadow" subtly describes allowing her personality to be subsumed by her boyfriend's. - Pamela Mala Sin-

ha tells how, after suffering a brutal attack, she felt self-hatred and a longing for retribution. - Dana McNairn talks of her uncomfortable marriage to a man from a different social background: "I wanted to fit in with this strange, wondrous family who never raised their voices, never swore and never threw things at one another." Humour, a confiding tone, and beautiful writing elevate and enliven even the darkest stories. Details bring scenes vividly to life, so we feel we are in the room with Barbara Defago when the doctor tells her she has breast cancer, coolly dividing her life into a 'before and after.' Lucid, reflective and poignant, Dropped Threads 2 is for anyone interested in women's true stories.

NATIONAL BESTSELLER The Mystery of Right and Wrong is a masterpiece from one of the country's most critically acclaimed and beloved writers that is both compulsively readable and heartstopping in the vital truth it unfolds. In a novel that grapples with sexual abuse, male violence and madness, Wayne Johnston reveals haunting family secrets he's kept for more than thirty years. Wade Jackson, a young man from a Newfoundland outport, wants to be a writer. In the university library in St. John's, where he goes every day to absorb the great books of the world, he encounters the fascinating, South African-born Rachel van Hout, and soon they are lovers. Rachel is the youngest of four van Hout daughters. Her father, Hans, lived in Amsterdam during the Second World War, and says he was in the Dutch resistance. When the war ended, he emigrated to South Africa, where he met his wife, Myra, had his daughters and worked as an accounting professor at the University of Cape Town. Something happened, though, that caused him to uproot his family and move them all, unhappily, to Newfoundland. Wade soon discovers that Rachel and her sisters are each in their own way a wounded soul. The oldest, Gloria, has a string of broken marriages behind her. Carmen is addicted to every drug her Afrikaner dealer husband, Fritz, can lay his hands on. Bethany, the most sardonic of the sisters, is fighting a losing battle with anorexia. And then there is Rachel, who reads The Diary of Anne Frank obsessively, and diarizes her days in a secret language of her own invention, writing to the point of breakdown and beyond—an obsession that has deeper and more disturbing roots than Wade could ever have imagined. Confronting the central mystery of his character Rachel's life—and his own—Wayne Johnston has created a tour-de-force that pulls the reader toward a conclusion both inevitable and impossible to foresee. As he writes, "The Mystery of Right and Wrong is a memorialization of the lost, the missing women of the world, and of my world. I see it not as a dark book, but as one that sheds light—a lot of light—on things that, once illuminated, lose their power to distort the truth."
