OCF - NOELLE CARLEE

"The electrifying new Joe Pickett novel from the New York Times-bestselling author. Everything about the man is a mystery: the massive ranch in the remote Black Hills of Wyoming that nobody ever visits, the women who live with him, the secret philanthropies, the private airstrip, the sudden disappearances. And especially the persistent rumors that the man's wealth comes from killing people. Joe Pickett, still officially a game warden but now mostly a troubleshooter for the governor, is assigned to find out what the truth is, but he discovers a lot more than he'd bargained for. There are two other men living up at that ranch. One is a stone-cold killer who takes an instant dislike to Joe. The other is new-but Joe knows him all too well. The first man doesn't frighten Joe. The second is another story entirely"--Provided by publisher of hardcover edition.

A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor

of theatrical performance as a framework. Each person in everyday social intercourse presents himself and his activity to others, attempts to guide and control the impressions they form of him, and employs certain techniques in order to sustain his performance, just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.

Can one girl save the world? From USA Today bestselling author Jillian Dodd comes the first book in a sizzling new series filled with action and adventure. Fans of *The Selection* and *The Hunger Games* will discover a heart-pounding thrill ride of espionage and suspense set in glittering high society. An eighteen-year-old covert agent is pulled out of training before graduation by Black X, an espionage group so secret even the President of the United States doesn't know it exists. For her first mission, she must go undercover as the long-lost daughter of a recently deceased billionaire, infiltrate high society, and protect the Prince of Montrovia from assassina-

tion. But Prince Lorenzo is known as the Playboy Prince for a reason and his sensuality and charisma add a whole other level of complication to her mission. She knows that her every move is being watched, but what she doesn't know is that the Prince is just a chess piece in a bigger game that will have world-wide ramifications. And that Blackwood Academy, the place she has called home for the past six years, has secrets of its own. With a kickass heroine and intrigue, this page turner will have you spellbound and drooling over your new book boyfriend. - H.M Ward, NYT Bestselling author The Spy Girl series is an intrigue filled, exciting ride through a world you'll wish you were part of and want to know more about! - J. Sarah J. Maas's global #1 bestselling THRONE OF GLASS series reaches new heights in this sweeping fourth installment. Everyone Celaena Sardothien loves has been taken from her. Now she returns to the empire - to confront the shadows of her past ... Bloodthirsty for revenge on the two men responsible for destroying her life, and desperate to find out if the prince and his captain are safe, Celaena returns to Rifthold. She has accepted her identity as Aelin Galathynius, the lost Queen of Terrasen. But before she can reclaim her throne, there are dark truths to learn and debts to be paid. Aelin must stay hidden beneath her assassin's hood and draw on her mortal strength as Celaena to prevent the King of Adarlan from tearing her world apart. Only then can she fight for her people. Readers will be held rapt as Celaena's story builds to an agonising crescendo, packed with heart-pounding action and searing romance.

In an alternate London, England, the lives of a fifteen-year-old girl eagerly awaiting the development of her "fae," or witch abilities, and the son of a man who sentences witches to death by burning, intersect when the son makes a startling discovery.

After venturing into the underworld, I have some badass goddess powers. In fact, I used them to rid the earth of the angelic scourge. Only problem is, the gods I stole the magic from are kind of

pissed. They keep trying to kill me when I summon their power. Worse, the angels are back on earth, harder to kill than ever. When my lover Adonis is abducted by our enemy, I do whatever I can to get him back. But the angels have a new plan for us. They want me to kill my own boyfriend-since I'm the only one who can do it. If we can't defeat the new onslaught of angels, I face a fate worse than death-and the rest of the world is coming with me. The final book in the Spy Among the Fallen Series.

To live, I must tempt the angels of death. It's been eighteen months since the angels of the apocalypse ripped our world apart. Before, I was a burlesque dancer, decked in sequins and feathers at the hippest clubs. Now, I live in an abandoned hospital in East London, scavenging for scraps. At least, until I get the chance to fight back against the disturbingly seductive angels. In fact, I'm going undercover as a spy in their castle. I have two goals: learn their weaknesses, and find my missing sister. Problem is, I have to pretend to be someone I'm not: an alluring succubus. If one of the angels discovers who I really am, the fate of the world could lie in ruins. I can't let that happen. The angels tried to destroy my world, and it's my turn to ravage theirs.

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose

as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa

We're almost out of time. Magic Side is under attack and the prison has been cursed. If I can't break the spell, my city will be overrun. The problem is, my magic is out of control, and I can't fight this battle alone. There's only one person to turn to-Damian Malek. But my strongest ally might also be my greatest threat. I've discovered what Damian is, and it's far worse than just being a fallen angel. I don't trust him, and it's too dangerous to be around him. My very soul, and my magic, are at risk. But I have no choice. Only Damian knows the truth of what is really going on, and he'll only share it with me. We've got to bargain with vampires and demons, battle mythical monsters, and expose the lost secrets of a ruined temple before time runs out. Will he help me save the city I love, or is it a trap to take everything I hold dear? An action-packed urban fantasy, Cursed Angel features a rebel heroine, a dark angel hero, and slow burn romance. Prepare yourself for edge-of-your-seat adventure amongst ancient ruins and mythical places. If you enjoyed the archaeology, history, and daring in Linsey Hall's original Dragon's Gift books, this adventure is for you!

Ruby knows it will be difficult to bring an end to the Angels' reign of terror but she does not know whether or not she will

have to fight alone or if Adonis will be with her.

Time-travelling, dimension-jumping, Librarian-spy Irene and dragon-prince Kai will have to team up with an unlikely band of misfits to pull off an amazing art heist—or risk the wrath of a dangerous villain with a secret island lair. A Librarian's work is never done, and Irene is summoned to the Library. The world where she grew up is in danger of veering deep into chaos, and she needs to obtain a particular book to stop this from happening. Her only choice is to contact a mysterious Fae information-broker and trader of rare objects: Mr. Nemo. Irene and Kai make their way to Mr. Nemo's remote Caribbean island and are invited to dinner, which includes unlikely company. Mr. Nemo has an offer for everyone there: he wants them to steal a specific painting from a specific world. But to get their reward, they will have to form a team, including a dragon techie, a Fae thief, a gambler, a driver, and the muscle. Their goal? The Kunsthistorisches Museum in Vienna, in an early twenty-first-century world, where their toughest challenge might be each other.

From Wall Street Journal best-selling author Ilsa Madden-Mills comes a standalone romance about a flawed hero and the woman he can't forget. He called himself Spider. I just knew him as the sinfully gorgeous guy with eyes of fire that fate put next to me on the airplane. I didn't know who he really was...future rock star...my stepbrother. He kissed me because he thought we'd never see each other again. We would. Everyone warned me about him. They said he was ruthless and screwed up. That he'd leave me with a hole in my heart. Maybe I should have listened. Maybe I should have built up a fortress to keep him out. But I crumbled instead. They say an unbreakable thread

connects those who are destined to meet. If that's true, then the moment he sat next to me, we were bound together forever. He just had to figure it out before it's too late...

My two goals in London? Drink whiskey with my best friend, and don't let anyone know I'm brimming with magic. A supernatural gladiator like me isn't supposed to exist anymore. Not since The Anarchy ended. But my night takes a bad turn when a lethally gorgeous fae--Ruadan--tries to assassinate me. He's taken a vow of silence until he's slaughtered the outlaws on his kill list. Outlaws like me. Ruadan lets me live on one condition: I have to earn my place at the Institute of the Shadow Fae. As a powerful demi-fae, I can take the competition. But things fall apart when I'm given an impossible choice: betray my mentor Ruadan, or my best friend dies. This book is from the Demons of Fire and Night world.

The angel of death wants me to be his wife. Most days, I steal from ships to earn a living. Not glamorous, admittedly, but it's honest work. Okay, fine. It isn't honest either, but it means I get to eat. But my simple life of pilfering is disrupted one night in the most shocking way: a sinfully sexy angel strides into my favorite dance hall. He compels me to work for him in Castle Hades. It isn't just work, though. He wants me to be his wife. Apparently, his prophetic dreams told him I'd help him become king. Problem is, he's a tyrant with blood on his hands. If I say no to him, I could end up dead. So even if he is lethally beautiful, I want out of his dark palace. Too bad the only way to kill an angel is to seduce him. And the sensual charms of the fallen will make it hard to stay on task. But this is a battle, and he's my beautiful enemy. We are fighting with

weapons of desire, and we're both at risk of losing ourselves in this war.

Sam Jameson always gets what he wants and what he wants is his ex-wife. Sam is a man who is a man in the world. What is the best way to get the best out of your life? Sam accepts the challenge but is not sure about it. Trinity Jameson is a fixer. It does not matter if it's a good thing to do. She is a man, and she is a man, a man, a man, a man, a man, a man, a man, a man, a man. "She's been doing this time. Before Sam landed in New York, his goal was to leave the city just as fast. But when Trinity saunters into the room. He realizes that what he really wants. Sam has no trouble stoking his physical fire, but hot sex is not going to be enough to heal the hurt. Sam is not going to be dissuaded by her new found emotional wall. He helped build it, and now he's going to knock it down.

Perfect for readers of Maya Banks, Monica McCarty, and Sabrina Jeffries, Jennifer Haymore's seductive Highland Knights series heats up with an electrifying tale of class warfare, fierce loyalties, and forbidden love. With blood still drying on the front lines at Waterloo, Lady Grace Carrington helps an injured soldier to a British medical tent. Though she believes she's pulled him to safety, in fact she has put them both in grave danger: Because when his brilliant blue eyes meet hers, the passionate Scottish sergeant kisses her in a way that leaves her breathless and trembling. As the obedient daughter of an earl, Grace shouldn't be tempted by someone so far below her station. But as a red-blooded woman, she longs for so much more. As far as Duncan Mackenzie is concerned, getting stabbed in the arm was the best thing that ever happened to him. When he wakes on the battlefield, the sight of Grace's lovely face sets his soul aflame.

As an enlisted man and a farmer's son, however, pursuing his guardian angel means facing the wrath of London society, not to mention his own superiors in the British Army. Aye, but he'd risk all that and more just to keep her in his arms. Praise for Highland Heat "In this intelligent and exciting new Scottish series, sensuality, passion, and mystery blend into a wonderfully entertaining tale."—USA Today bestselling author Bronwen Evans "Highland Heat has it all: suspense, intrigue, a hunky Scottish hero, and a spunky heroine who defies everything to be with the man she loves. Jennifer Haymore's quick-witted writing style and engaging characters drew me in, and now I can't wait for the rest of the series."—Sharon Cullen, author of The Reluctant Duchess "Readers will respect Grace's strength when she is sorely tested, while Duncan's warm, courageous heart will enrapture fans of Scottish rogues. In this first book in her Highland Knights series, Haymore teases readers into craving the next installment, though this work reads well as a stand-alone novel."—Library Journal "This story of class difference is the perfect mix of romance and drama. It kept me turning the pages straight through to the end."—Ashlyn Macnamara, author of What a Lady Requires "A breathtaking story of forbidden love between a sexy Highland warrior and an engaging English lady who risk scandal at every turn and face insurmountable intrigue, this is a book to savor!"—Pamela Labud, author of To Catch a Lady "I honestly cannot say enough good things about this book. I can only suggest that you read this book. If you read any historical romance this year, make it Highland Knights."—Night Owl Reviews "I really enjoyed the book, because I liked the romance at its core."—Red Hot Books "Well written

and well paced, this was a good novel, and the epilogue hooked me into wanting to read the next in the series.”—The Romance Factor “If you are looking for a Regency romance that will pull at your heart strings and bring tears to your eyes, then you need look no further than Highland Heat.”—Romantic Historical Reviews “This is my first read from author Jennifer Haymore, and I foresee much more from this author on my TBR shelf in the future.”—Bambi Unbridled Includes an excerpt from another Loveswept title.

In the second installment of the best-selling Glittering Court series, Richelle Mead goes beyond the glitz and glamour, delving into the dark, political underbelly of their world through the eyes of one girl who dares to fight for her freedom. A refugee of war, Mira was cast out of her home country and thrust into another, where the conditions were inhospitable at best. In a life-altering twist of fate, she is given the chance to escape once more, and she takes it, joining the Glittering Court. For a select group of girls, the Glittering Court offers a shot at a life they’ve only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it means further persecution, not only from her fellow Glittering Court jewels, but from her suitors, as well--men she would potentially be expected to give her life to. By day, she goes through the motions, learning the etiquette and customs that will help to earn her anonymity, even making a couple true friends in the process, the forthright ladies' maid Adelaide and the ambitious laundress Tamsin. But by night, Mira hatches a different plan entirely--one that, if exposed, could get her hanged in the highest court of Adoria. *Midnight Jewel* is the extraordinary story of a girl with few options who courageously forges a

new path, finding love, passion, lifelong friendships, and maybe even a way to freedom.

Keera is a killer. As the King's Blade, she is the most talented spy in the kingdom. And the King's favored assassin. When a mysterious figure called the Shadow starts making moves against the Crown, Keera is forced to hunt the masked menace down. She crosses into the magical lands of the Fae, trying to discern if her enemy is Mortal, Elf, or a Halfling like her. But the Faeland is not what it seems, and neither is the Shadow. Keera is shocked by what she discovers and can't help but wonder who her enemy truly is... The King that destroyed her people? The Prince that tortures them? Or the Shadow that threatens her place at court? As she searches for answers, Keera is haunted by a promise she made long ago. A promise not only to save herself but an entire kingdom.

In the hallowed Storm Fae Academy, everyone has a secret. It sucks to be a supernatural fugitive, but as a fae witch, what can you do? Get on with things. Ignore the elite fae assassins who rule the city. Try not to freak out when one of them surprises you mid-shower. Usual stuff. But when the assassins capture my best friend, I'll do anything to stop her execution. Including joining their academy. Now, while I secretly plot to break Wren out, I am forced compete in a lethal set of trials. Failure means that a monstrous headsman kills us both. Turns out I have to train with a dragon-blood fae. He's powerful, scary, and lethally attractive. And, like me, he's harboring dark secrets. Worst thing about him? He's the monstrous headsman himself. This book is from the *Demons of Fire and Night* world, with characters who appear in *Court of Shadows*.

Fae magic. Human heart. A fragile new

life... An unassuming human woman discovers her Fae power. A cold Fae Lord unearths his human heart. Together they must defend their baby from an enemy determined to eradicate all mortal blood from the Fae race. Liana runs when the Fae Lord Chooses her to be his consort, and the mother of his Heir. She never expected the alien seeming warrior to pay attention to a working class, curvy girl in a sea of leggy blondes. She never expected to loose control of her heart, or her body, in an inferno of magic fueled passion. She never expected to discover a hidden power in a fight for her life, and the life of their baby. Lord Eero doesn't want a Fae chaser. He wants the lush, fierce-eyed human with her motherly heart and youthful fire. He wants a quiet life with family on his country estate, surrounded by memories of his human grandmother. But the Old Blood don't care what he wants. They threaten to destroy everything he holds dear in a quest to purify Fae blood and regain Fae power. He will kill them all before he allows his enemies to harm the woman cradling his heart, or their growing child. This is a steamy paranormal fantasy novel for readers who enjoy scorching love scenes, bbw, interracial romance and alpha males. Standalone, HEA, first in a new urban fantasy romance series. If you enjoy Emma Alisyn's shifter romance as well as her favorite authors (Mina Carter, Grace Draven, Thea Harrison) you will love Fae Spark.

NEW YORK TIMES AND USA TODAY BEST-SELLING AUTHOR "Take my word for it, James Reece is one rowdy motherf***er. Get ready!"—Chris Pratt, star of *The Terminal List*, coming to Amazon Prime The fourth thriller in the "so powerful, so pulse-pounding, so well-written" (Brad Thor, #1 New York Times bestselling au-

thor) *Terminal List* series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11. Two decades since the United States was attacked on home soil and embarked on twenty years of war. The enemy has been patient, learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the Great Satan and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), *The Devil's Hand* is a riveting and timely thriller that will leave you gasping for breath.

Accidental vampire Alex Schwartz is busy assessing the cost of renovating a Cold War bunker to be used as the new HQ for Britain's secret counter-occult agency, where he attracts the attentions of a local Goth drama student.

From the former New York Times bureau chief in Baghdad comes the gripping and heroic story of an elite, top-secret team of unlikely spies who triumphed over ISIS. *The Spymaster of Baghdad* tells the dramatic yet intimate account of how a covert Iraqi intelligence unit called "the Falcons" came together against all odds to defeat ISIS. The Falcons, comprising ordinary men with little conventional espionage background, infiltrated the world's most powerful terrorist organization, ultimately turning the tide of war against the terrorist group and bringing safety to millions of Iraqis and the broader world. Centered around the relation-

ship between two brothers, Harith al-Sudani, a rudderless college dropout who was recruited to the Falcons by his all-star younger brother Munaf, and their eponymous unit commander Abu Ali, *The Spymaster of Baghdad* follows their emotional journey as Harith volunteers for the most dangerous mission imaginable. With piercing lyricism and thrilling prose, Coker's deeply-reported account interweaves heartfelt portraits of these and other unforgettable characters as they navigate the streets of war-torn Baghdad and perform heroic feats of cunning and courage. The Falcons' path crosses with that of Abrar, a young, radicalized university student who, after being snubbed by the head of the Islamic State's chemical weapons program, plots her own attack. At the near-final moment, the Falcons intercept Abrar's deadly plan to poison Baghdad's drinking water and arrest her in the middle of the night—just one of many covert counterterrorism operations revealed for the first time in the book. Ultimately, *The Spymaster of Baghdad* is a page-turning account of wartime espionage in which ordinary people make extraordinary sacrifices for the greater good. Challenging our perceptions of terrorism and counterterrorism, war and peace, Iraq and the wider Middle East, American occupation and foreign intervention, *The Spymaster of Baghdad* is a testament to the power of personal choice and individual action to change the course of history—in a time when we need such stories more than ever.

One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just

call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. *Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva Chase. If you love kick-ass heroines with sass to spare, drool-worthy monsters who have their own sense of morality, and steamy romances where there'll be no choosing required, dive in now!*

An empty mind is a safe mind. Yulia's father always taught her to hide her thoughts and control her emotions to survive the harsh realities of Soviet Russia. But when she's captured by the KGB and forced to work as a psychic spy with a mission to undermine the U.S. space program, she's thrust into a world of suspicion, deceit, and horrifying power. Yulia quickly realizes she can trust no one--not her KGB superiors or the other operatives vying for her attention--and must rely on her own wits and skills to survive in this world where no SEKRET can stay hidden for long.

The Mortal Word is part of Genevieve

Cogman's witty and wonderful Invisible Library series, which can be enjoyed as part of a sequence or as standalones. A corrupt countess. A spy in danger. And an assassin at large. Peace talks are always tricky . . . especially when a key diplomat gets stabbed. This murder rudely interrupts a top-secret summit between the warring dragons and Fae, so Librarian-spy Irene is summoned to investigate. In a version of 1890s Paris, Irene and her detective friend Vale must track down the killer - before either the peace negotiations or the city go up in flames. Accusations fly thick and fast. Irene soon finds herself in the seedy depths of the Parisian underworld on the trail of a notoriously warlike Fae, the Blood Countess. However, the evidence against the Countess is circumstantial. Could the assassin - or assassins - be closer than anyone suspects? The Mortal Word is perfect for fans of Doctor Who and Sherlock Holmes. Continue the bookish magic with The Secret Chapter. 'Captivating story with animated characters . . . cracking pace' - Guardian

Exiled from the Shadow Fae, I'm left out on London's streets. The Knights of the Institute are dying of the plague, and they're sure I'm to blame. Desperate to speak to Ruadan, I invade the Institute. Then, things take a turn for the worse. Like, "tortured in a tiny prison cell" worse. Seems like Ruadan has completely betrayed me. But when I finally reunite with my dark demigod, it turns out I'd totally misunderstood his actions. Once I'm out of jail, Ruadan and I have to fix this mess, and we're thrown together once again. That means finding my father. Plus, we have to kill Baleros before the monster gets what he's after: the skin off Ruadan's corpse. If Baleros gets what he wants, then he'll control

the world, and I'll lose Ruadan forever. This is the final book in a four-book series: Court of Shadows, Court of Darkness, Court of Night, Court of Dreams. This book is from the Demons of Fire and Night world.

When you get up in the morning, the last thing you expect to see is a murdered guy hanging outside your window. Things like that tend to draw the attention of the local police, and when you're squatting in your parents' old house until you can afford to buy it, another thing you can't afford is the attention of the cops. Oh yeah. Hi. My name is Pet. It's not my real name, but it's the only one you're getting. Things like names are important these days. And it's not so much that I'm Pet. I am a pet. A human pet: I belong to the two Behindkind fae and the pouty vampire who just moved into my house. It's not weird, I promise—well, it is weird, yeah. But it's not weird weird, you know?

Karda--the newly illustrated first book in the fantasy/sci-fi series Adalta with technophobic humans on a living planet, majestic hawk-headed flying horses, a power struggle between brothers, and a plucky female hero who must learn to tap into powers she never knew she had--powers that scare her--to save the place and the people she comes to love. Marta, a sword-swinging girl who rides an incredible flying hawk-headed horse meets Altan, the arrogant young aristocrat in a high-tech-space-girl meets elemental-magic-wielder on a lost planet colonized centuries before by refugees from Earth. Secretly sent to the planet Adalta to assess its resources and trade potential, Marta knows her job. And she knows she can't get attached--she's not staying. Then she meets her Karda, the wondrous flying creature she grows to love. And Altan, the arrogant aristocrat

with strange elemental powers. It can't be magic, can it? When Altan rescues her from a blood magician's murder attempt, suddenly he and Marta can speak telepathically. It can't be magic, can it? However hard she fights it, and however often she repeats her mantra, "Don't get attached," she does. Forced to be together they face bandits, treachery, revolt, blood-sex-and-death magic--and their growing relationship. Then Marta is captured by the blood magician. Will Altan rescue her? Or will she rescue herself? Author Sherrill Nilson used to raise horses. Now she writes about flying horses.

The second title in Genevieve Cogman's The Invisible Library series, The Masked City is a wonderful read for all those who enjoyed Mr Penumbra's 24 hour Bookstore by Robin Sloan, Jasper Fforde's The Eyre Affair or Ben Aaronovitch's Rivers of London. Librarian-spy Irene is working undercover in an alternative London when her assistant Kai goes missing. She discovers he's been kidnapped by the fae faction and the repercussions could be fatal. Not just for Kai, but for whole worlds. Kai's dragon heritage means he has powerful allies, but also powerful enemies in the form of the fae. With this act of aggression, the fae are determined to trigger a war between their people - and the forces of order and chaos themselves. Irene's mission to save Kai and avert Armageddon will take her to a dark, alternate Venice where it's always Carnival. Here Irene will be forced to blackmail, fast talk, and fight. Or face death. The Masked City contains bonus extra content - secrets from the Library! Continue the bookish magic with The Burning Page.

He wants me to be his queen... Warned as a girl to keep her kisses to herself,

Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today best-selling author of *Priest* and *Misadventures of a Curvy Girl* comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable. A professional spy for a mysterious Library which harvests fiction from different realities, Irene faces a series of assassination attempts that threaten to destroy her and everything she has worked

for. Irene is teaching her new assistant the fundamentals of a Librarian's job, and finding that training a young Fae is more difficult than she expected. But when they're the targets of kidnapping and assassination attempts, she decides that learning by doing is the only option they have left ... In order to protect themselves, Irene and her friends must do what they do best: search for information to defeat the overwhelming threat they face and identify their unseen enemy. To do that, Irene will have to delve deeper into her own history than she ever has before, face an ancient foe, and uncover secrets that will change her life and the course of the Library forever. Beast. Creature. Monster. Dangerous. All of these things have been said about Gren. Willa doesn't I would not say things are going well, exactly. I live in a burnt-out car under a bridge, surrounded by rubbish. When Rudan shows up to bring me back to the Institute, I leap at the chance. That is, until he throws me into the dungeons. I'm on the naughty list, and the mentor who once trained me is cold as ice. Now, I must pass every single trial, or the Institute's executioners will rip me to pieces. Good thing I can handle it. I was the queen of the gladiator ring, and I do not go down easily. This will be part of a four book series to be continued. *Court of Shadows* *Court of Darkness* *Court of Night* *Court of Dreams* This book is from the *Demons of Fire and Night* world.

"Clever, creepy, elaborate world building and snarky, sexy-smart characters!"—N. K. Jemisin, author of *The Fifth Season* In this thrilling historical fantasy, time-traveling Librarian spy Irene will need to delve deep into a tangled web of loyalty and power to keep her friends safe. Irene is trying to learn the truth about Al-

berich-and the possibility that he's her father. But when the Library orders her to kill him, and then Alberich himself offers to sign a truce, she has to discover why he originally betrayed the Library. With her allies endangered and her strongest loyalties under threat, she'll have to trace his past across multiple worlds and into the depths of mythology and folklore, to find the truth at the heart of the Library, and why the Library was first created.

In the wide-open landscape of Pennsylvania, Charlotte Martin and her father live a peaceful life on their farm...or so it seems. In truth, the rural locale provides the perfect front for the father-daughter NSA operatives as they expertly carry out their mission: using a high-tech computer system, they protect a team of undercover agents. Some would kill to have access to this system, and it makes Charlotte and her father prime targets. It was only a matter of time before this nightmare unexpectedly crashed down on them, and only Charlotte escaped with her life. Before Dwight Martin dies, though, he initiated the failsafe lockdown, and now Charlotte's the only one who can access the system. Writer Jake Bradford left the serene Blue Ridge Mountains of Virginia for the hustle and bustle of New York to pursue his dreams and never looked back. Until now. Entrusted with his ailing grandmother's care, Jake knows he needs help -- and he can't believe his luck when a lovely young woman providentially appears on his doorstep. Charlotte creates a new persona for herself and quickly develops a bond with Jake's grandmother. But it's the connection she feels with Jake that makes it almost too easy to lose sight of

her reality: she is being hunted by men who will stop at nothing to access the intelligence she protects. With time running out, can the couple find a future together, or will Charlotte's secrets tear them apart? -- page [4] of cover

I've restored my soul, but now I'm trapped in the Citadel, separated from Ali. Worse, she believes I've betrayed her. And she's desperate to kill me. Even as I work to save her, a great reckoning between the tribes of Elves threatens to ruin my plans. And if I don't solve this, Ali and I will both end up in Hel.

Violet Archer has spent her life fighting Shadows. Now she's married to their prince. There's just one problem for the Dark Lord... His new bride is plotting to kill him. Shadows have been attacking Radiants for millennia. They creep through the streets at night and take innocent lives, feeding from a Radiant's Light. Yet Violet is out there in the dark, fighting with an elite team to eliminate the guerrilla attacks and keep her people safe. While she's good at what she does, it isn't enough. So when the opportunity to do something more arises, Violet takes it. But now she finds herself at the dark and dreary Shadow Court. And she slowly realizes that nothing is as she thought. While her mysterious host evades her, she finds herself unable to fight a supernatural pull she has to him. And the more time that passes at the Dark Manor, the more they find they need one another. After all . . . their lives depend on it. Blending the best of both paranormal romance and urban fantasy, *Shadow's Touch* is a dark and steamy adventure full of twists and turns that will leave you wanting more!
