Cursive actually activates regions of the brain involved in working memory. We teach cursive writing not because we love cursive but because we want our kiddos to love learning—and the ability to quick and legibly write is a good way to get there. We teach cursive not as an end in and of itself, but as a tool.

Twinkl Handwriting is an innovative, whole-school scheme that offers a choice of two different styles (cursive unlooped and continuous cursive looped), which will take your EYFS to Year 6 pupils on a journey through the progressive stages suggested in the National Curriculum to enable them to write fluently, legi-

bly and with increased speed.

Learning the cursive alphabet is the best guide to cursive writing. Many people approach cursive writing as a way to be more creative and use handwriting in more situations. Back in the day, many kids were taught how to write using cursive letters at school. But this skill is less widely taught these days.

Cursive handwriting is a form of writing in which the letters are joined-up, in an attempt to write faster. This is opposed to block-letters, in which the pen lifts between every letter. It can also be called script handwriting, although referring to cursive as script handwriting is less common.
