Learn the Secret to Success on the Customs Broker Exam! Ever wonder why learning comes so easily to some people? This remarkable book reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the exam, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the Customs Broker test lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the exam vocabulary and use this as a model for test success. People with a strong Customs Broker Insider's Language consistently: Perform better on the Customs Broker Exam Learn faster and retain more information Feel more confident in their preparation Perform better in class Gain more satisfaction in learning The Customs Broker Exam Success Guide is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with

confidence and make it part of your long-term memory. The Customs Broker Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the Customs Broker exam! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today! N.B. How to Start Your Own Customs Brokerage Business was published in 2007 and is the only book of its kind--documenting the en-

tire process required to start your own CHB business. The author, Jon Sasaki, has now written a study guide to help those planning on taking the exam to study more efficiently and avoid spending hundreds of dollars on special courses they may not even find necessary. In this new and concise book he advises the exact same technique he used to pass the test on his first attempt despite not ever having worked in customs brokerage before the exam. Now, both references perfectly compliment each other as they are combined into one book. The combo book helps the student prioritize his or her studies by distinguishing between the important and not so important sections of the exam's testing material. The book also methodically provides step-by-step guidance through the process of setting up one's own customs brokerage operation. The book also includes an explanatory breakdown of all sections of the 19 cfr that have appeared more than twice on the last 10 exams (thru Oct 2009 exam) a comprehensive table that lists all parts and paragraphs of the 19 cfr that appear in any of the last 10 exams (thru Oct 2009 exam) sample forms, letters, and terms index for setting your customs brokerage business addresses to useful websites money saving tips to help you achieve your customs broker-related goals even on a shoestring budget

This updated and revised comprehensive guide features the most up-to-date and complete information available on the Border Patrol application process and on what to expect on the exam.

This Textbook is a study guide that represents a concise compilation of laws and regulations on frequently tested subjects in the U.S. Customs Broker License Examination. Textbook breaks down archaic and hard to read laws into reader friendly format, with bold and italicized and underlined keywords and topics. Textbook does not cover every topic, but rather focuses on the most relevant ones. Prospective examinees are instructed to regularly review each subject in order to easily recall the appropriate regulation during the exam. To help exam takers succeed in passing the exam, Textbook comes with Web Supplements. Web Supple-

ments bring to prospective examinees video lectures (which are based on the Textbook's material), charts, exhibits, tables and flashcards designed to improve understanding of the tested topics. Concise text, charts, exhibits, tables, and flashcards alone are not enough to pass the examination. Goal of the Textbook is to equip you with necessary tools to successfully pass the U.S. Customs Broker License Examination. To that end, the Textbook integrates questions from previous exams by topics covered in individual chapters. We worked very hard to provide you with tools necessary to be successful. You, however, remain the ultimate guarantor of passing the U.S. Customs Broker Exam through hard work and dedicated studies.

Do you ever feel left out, lonely, or less than? Today, learn the secret of belonging which will help you keep rejections in perspective and be better equipped to foster healthy connections in your relationships. In *Uninvited*, Lysa shares her own deeply personal experiences of rejection from the perceived judgment of the perfectly toned woman one elliptical over to the incredibly painful childhood abandonment by her father. She leans in to honestly examine the roots of rejection, as well as rejection's ability to poison relationships from the inside out, including our relationship with God. With biblical depth, gut honest vulnerability, and refreshing wit, Lysa will help you: Stop feeling left out by believing that even when you are overlooked by others you are handpicked by God. Change your tendency to either fall apart or control the actions of others by embracing God-honoring ways to process your hurt. Know exactly what to pray for the next ten days to steady your soul and restore your confidence in the midst of rejection. Overcome the two core fears that feed your insecurities by understanding the secret of belonging. *Uninvited* reminds us we are destined for a love that can never be diminished, tarnished, shaken, or taken—a love that does not reject or uninvite.

Please, God, no more hard things. Nicki Koziarz knows what it's like to whisper those words to God. She understands what it feels like to be flooded by hopelessness and hard situations, wondering if it will ever stop. Hard circumstances often stir something so destructive in a soul: doubt. Through the painful loss of her mom to a brain tumor and her brother to suicide, she has learned that if doubt is left undealt with, it can cause the presence of unbelief to flood our lives--to the point that faith becomes unrecognizable. In the midst of her pain, Nicki looked through the lens of the biblical account of Noah and discovered five decisions a person can make to help deflect the destruction of doubt. When you are wrestling with doubt and fighting back hopelessness, *Flooded* will help you:

- Quiet the fear that God won't come through by discovering the difference between wishful thinking and biblical hope.
- Resist the urge to control the uncontrollable by finding peace in be-

tween the problem and the promise. • Find the familiar faithfulness of God in His Word when it feels like nothing is normal and everything is falling apart. The reality of hard times holds a decision for each of us to find hope. And the decision to find it is yours. But you don't have to do it alone. It's time to rise above doubt, together.

Are you interested in working from home by starting a profitable freight brokerage business? Do you want a done-for-you guide from start to finish that brings you closer to your dream of becoming a successful freight broker? If this is you, then read on... In today's world, the freight brokerage industry is growing continuously and it is very rewarding to become a freight broker if you build

upon the right foundation. For instance, a freight broker can profit anywhere between 10% and 35% per any shipment they handle. Starting out at first could fetch you around \$100 to \$500 per shipment. Upon building professional networks and having some solid experience to go with it, you could earn as much as \$5,175 for every shipment. Multiplying this value with the number of shipments handled per day can be astonishing! However, the reason most new freight brokers fail to succeed is because they lack proper knowledge and understanding of the business and what they hope to achieve. Before commencing a new freight brokerage business, you have to take into account several factors, one of which is getting educated. This is likely the most critical factor to consider when starting your brokerage business. The key to success is knowledge and to be successful, you must be well-informed about the freight moving industry. Besides from knowledge, you must be ready to build your network of shippers and carriers, as well as being ready to take on any financial obligations of the business, and several others. The reason why I have written this book, *The Freight Broker Book*, is to demystify the complexities you will face as a new freight broker and to educate you on the ins and out of how to run a successful freight brokerage business from start to finish. Below is a snippet of what you will learn;

- How to get the right training and experience to aid your journey to become a freight broker.
- Choosing the right legal framework for your business.
- How to develop a solid business plan that attracts investors and for easy access to loans.
- Finding carriers and shippers for your business.
- The essential paperwork and documentation to maintain and key points to note while at it such as carrier-broker agreement, bill of lading, load

- confirmation, rate agreement, etc.
- Fulfilling the legal requirements to function as a freight broker such as your operating authority, processing agents, surety bond or trust fund, etc.
- How to narrow down your target market audience for the best possible results in your business.
- How to operate your business smoothly and get it going as well as handling problems you will encounter. And a whole lot more!

This book, written in an easy-to-understand style with little to no technical jargon is a must-have for every freight broker, especially if you are just starting out. So, what more are you waiting for? To get started in running a profitable freight brokerage business from the comfort of your home, simply get a copy of this book **RIGHT NOW**

Every enterprise application creates data, whether it's log messages, metrics, user activity, outgoing messages, or something else. And how to move all of this data becomes nearly as important as the data itself. If you're an application architect, developer, or production engineer new to Apache Kafka, this practical guide shows you how to use this open source streaming platform to handle real-time data feeds. Engineers from Confluent and LinkedIn who are responsible for developing Kafka explain how to deploy production Kafka clusters, write reliable event-driven microservices, and build scalable stream-processing applications with this platform. Through detailed examples, you'll learn Kafka's design principles, reliability guarantees, key APIs, and architecture details, including the replication protocol, the controller, and the storage layer. Understand publish-subscribe messaging and how it fits in the big data ecosystem. Explore Kafka producers and consumers for writing and reading messages. Understand Kafka patterns and use-case requirements to ensure reli-

able data delivery Get best practices for building data pipelines and applications with Kafka Manage Kafka in production, and learn to perform monitoring, tuning, and maintenance tasks Learn the most critical metrics among Kafka's operational measurements Explore how Kafka's stream delivery capabilities make it a perfect source for stream processing systems

The Customs Broker Course and Exams Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific lan-

guage needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.
