Damien - Slater Brothers #5 Alannah Ryan had always suffered in silence, until that silence became so deafening she spilled secrets that she never intended to. At one point in her life, she yearned for adventure, a nail biting journey ... something other than the mundane life she led.

Damien Slater was the reason for every bad thing in the lives of those he loved most. A decision he made when he was just fifteen destroyed his brothers' lives, and there was nothing he could do to change the things they had endured. Ruining them hurt, but ruining the only woman who wanted him for more than one night hurt a hell of a lot more.
