## 3CC - TORRES KAMREN

---

Well, the mystery isn't too gripping, but the archaeological theory is presented in an interesting way. If I were teaching an undergrad archaeology course I might assign this book as a relatively painless way for students to understand some of the history and development of modern theoretical approaches in archaeology.

Death by Theory: A Tale of Mystery and Archaeological Theory. A European Neolith-

ic burial. A large stone Venus. Nothing unusual about it\_except that it was found on an island in the Pacific Northwest. Archaeologist Hannah Green and her shovelbum nephew find themselves in a tangled web of competing interests avaricious land owners, hungry media,...

"Death by Theory" is not great literature, and not really that great of a mystery, but that's ok because it does one important thing very very well. It presents archaeo-

logical and anthropological theory in a totally non-threatening way, and in a way that a beginning (or forgetful) student is likely to remember.
