An unplanned visit to South Africa's Kruger National Park changed Sharon Pincott's life as she knew it. She was a high-flying Information Technology specialist Down Under, but now she dreamed of working with Africa's wildlife. Eventually, she abandoned her life of privilege and luxury and moved to Zimbabwe - a country in turmoil - to live and work among elephants on land bordering Hwange National Park. It was a startling contrast to her former life. In time, Sharon formed extraordinary relationships with wild elephants, having learned to know them intimately. She treasured escapades with friends, both human and animal, in spectacular remote places. But, as she soon discovered first-hand, the beauty and wonder of wild Zimbabwe had a dark foreboding side. Snaring of wildlife was rife, and when land invaders claimed the area where Sharon's elephant friends roamed, she went into battle for their land and their lives - while fighting for her own wellbeing, in her homeland of choice.

Indians in India and elsewhere relentlessly talk of corruption in

their country. India ranks 76 in Corruption Perception Index of 168 countries. To be fair to India, every other country has the same problem to grapple with. It appears to be endemic, a worldwide phenomenon. It is said that if all the 25 countries in Europe were rid of corruption, their GDP would double. In Australia, the perceptions of both public and private corruption increased dramatically in 2016. This book is a story about corruption in India, how it works. A fiction written with a sense of humour.

Nobody knows Sydney sleaze and corruption quite like Peter. When one of his long time sources turns up dead, he finds himself struggling to stay one-step ahead of the gang. What started as a routine body-guarding job ends in a trail of betrayal, a missing corpse, an unsolved murder and many lingering questions.

This book contains selected papers presented at the 16th IFIP WG 9.2, 9.6/11.7, 11.6/SIG 9.2.2 International Summer School on Privacy and Identity Management, held online in August 2021. The 9 full papers included in this volume were carefully reviewed and selected from 23 submissions. Also included are 2 invited keynote papers and 3 tutorial/workshop summary papers. As in previous years, one of the goals of the IFIP Summer School was to encourage the publication of thorough research papers by students and emerging scholars. The papers combine interdiscipli-

nary approaches to bring together a host of perspectives, such as technical, legal, regulatory, socio-economic, social or societal, political, ethical, anthropological, philosophical, or psychological perspectives.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Die Geschichte der internationalen Wirtschafts- und Unternehmensbeziehungen der Bundesrepublik Deutschland ist eine vergleichsweise junge Disziplin. Annika Biss leistet einen wichtigen Beitrag, wenn sie in ihrer Dissertation die internationale Ausrichtung der Bayerischen Motoren Werke zwischen 1945 und 1981 ins Zentrum der Aufmerksamkeit rückt. Initialisierung, Intensivierung und Institutionalisierung – so lauten die Stichworte, in deren Zeichen sich die Internationalisierung vollzog. Auf der Basis neuer Quellen kann Annika Biss den Aufstieg von BMW zu einem global agierenden Konzern überzeugend herausarbeiten. Erstmals wird in dieser Arbeit auch das Engagement von BMW in Südafrika als Fallbeispiel adressiert. Die Autorin bietet aber noch mehr als eine detaillierte Vertriebs- und Marketinggeschichte der BMW AG. Am Beispiel des bayerischen Automobil- und Motorradbauers entwickelt sie ein analytisches Instrumentarium zur Erforschung von Internationalisierungsprozessen, das bei der Unter-

suchung von ähnlichen Vorgängen in anderen Unternehmen als Modell dienen kann.

Die Beitragsautoren des Tagungsbandes zum 6. Wissenschaftsforums Mobilität, abgehalten im Mai 2014 an der Universität Duisburg-Essen, diskutieren, welche Entscheidungen im Rahmen des Automobilmanagements, der Automobiltechnik, der Wertschöpfungskette und neuen Technologien sowie urbanen Mobilitätskonzepten notwendig sind, um den Übergang in die Elektromobilität zu bewältigen. Die Beiträge zeigen, dass der Übergang in die Elektromobilität Wissenschaft und Wirtschaft vor große Herausforderungen stellt. Es bedarf konsequenter und koordinierter Anstrengungen an den Schnittstellen der betriebswirtschaftlichen und ingenieurwissenschaftlichen Forschung.

Victor Peters is back with another spell bound story set in the exotic backgrounds of China and the Middle East. Once again Peters plays in the playground of the ultra rich and powerful people of various continents where people of all races, creed and social lev-

el fight for ultimate power. This is a story of an International global power game and revenge, of economic maneuvers in order to gain that little edge over the competition and of political bickering and infighting that more often than not leads to cataclysmic events. The author has a unique gift of capturing the twists and ironies of fate. His insights into the ambitions and passions of his characters are brilliant. The girls are gorgeous and ready to protect Peters, some for love and others for selfish motives.

Roxy tries desperately to keep her life on its metronomic routine and preserve appearances. But in a roller-coaster holiday season between Thanksgiving and New Year's Day, the genie of her past is well and truly released from the bottle. When his name is Hunter.... LACEY My father is in an advanced state of leukemia and I've been taking care of him for the last four years. I dropped my entire CEO career, sold my company, and isolated myself with him to be there for him and his needs. I can't lose my dad.... However, all the money I had, which weren't pennies, are reaching red line, and my dad needs his treatment and surgery which cost a lot, and I have no other ways of paying but taking a job after four years of complete retirement from the working field on all sides. At 34, a curvy, former brilliant CEO in the public eyes and a rare and important person in the shadows under the name of Saint, I, Lacey Holtrey, need to get my ass

back to work to save my dad. My best friend, Brenda, secures for me a job interview at one of the most reputable movie companies having as head a young billionaire and big mafia boss, 26-year-old Hunter Markle, with the looks of an Adonis and the built of a Greek God. Upon my interview there for the job position as the assistant/secretary of CEO Hunter Markle, things play another way, and from a normal job position, he requires a 24h assistant job from me right before I want to walk away from his office. The damn money I need for my dad take the best of my pride of not working under a younger than me and with not that innocent looks at me boss, so I accept it. But soon enough, my entire past from the shadows comes back like a hurricane.... "I've changed my mind, Miss Holtrey. The more I get to know you, the more value I find. Hence, the new salary. Plus, you will take a lot of work as I'm a busy man and lead an empire. You'll see that the amount of work and time I will get from you, will equal the 100k." It's a Devil's pact I'm signing here. And his name is Hunter. Suitable for the real him. He does air a hunter. Lacey? Dad.... You can protect yourself from harm. HUNTER Hmm... Yes, my name is Hunter. And yes, whatever I want, I hunt it down and take it. However, it has never happened to me to do so with women.... Ha-ha! I'm usually the one hunted down by them and the one refusing as I'm one picky bastard. Yet, the moment I hear Baby Snake's voice over a phone call with her best friend, Brenda, it's all it takes for my heart to be shot down and to do the unthinkable since that moment on, as I've NEVER done it before. Oh no, I've never been in love. I'm one cold motherfucker in general.... Till Baby Snake, that is. Ha-ha! Yeah, she's got her eyes and her everything like a baby snake who captures you in her hypnotic spell, and damn if

you can get out of it.... But all I'm doing is because I'm in love for real and I know she's my one and only baby.... But damn if she's gonna break before me! She calls me KID! And she's a tiny Baby Snake before the one I am! Oh... Baby? Hunter is hunting down your love, and the HELL you're not gonna be mine! Watch the KID! HELL YEAH! Oh.... Saint is mine all the way, love.... No matter what I'll have to do for it! And Baby Snake is such a bad, bad, bad, bad one.... And I love it.... *This book contains language and mature themes. *Check out the author's website: lovestories-tarot.com (It's a membership one giving access to her published and work in progress books.)

This book takes a light-hearted look at what the author considers to have been the golden age of motoring journalism - the last two decades of the 20th century. As a writer and tester for Motor magazine, founding Editor of Fast Lane magazine, and a freelance journalist with a weekly column in The Daily Telegraph, Peter Dron has many tales to tell. In these pages we meet industry moguls, unusual motoring journalists and various other passers-by. The reasons why it has all gone wrong, both for the motor industry and motoring journalism, are examined with candour. Although this book is essentially about cars and car people, the author ambitiously hopes that it may amuse, irritate or even inform people who are not interested in cars at all. If the readers are not amused, irritated or informed, the author does not mind in the least, provided they have bought the book with their own money rather than stolen it or acquired it by other means, fair or foul.
