## Solution manual digital communications 4th edition - proakis

While I was loathe to purchase this newest edition of Proakis' book on Digital Communications, owing to older editions floating around my lab, I decided it was worth it to shell out the money for this most recent edition. It is fairly concise, and provides an excellent survey of modern digital communications.

Digital Communications, 5th Edition John G. Proakis , Masoud Salehi Digital Communications is a classic book in the area that is designed to be used as a senior or graduate level text.

Proakis; Masoud Salehi and a great selec-  
tion of similar New, Used and Collectible  
Books available now at great prices.

### **9780072957167: Digital Communications, 5th Edition ...**

With 5th Edition, this book is over 1000  
pages. Digital Communication is not like  
programming book (which is full of coding  
list). It is full of reasoning and math. I can't  
imagine any person can go through this  
1000-page journey. Would it be a good re-  
ference/dictionary? Certain it is not except  
for its size.
