For anyone tired of chasing ever-elusive desires, of doing more only to find that more needs doing, and of making more money only to need more money, best-selling author Chin-Ning Chu shows you that life was meant to be easy, if you know the secrets. From the best-selling author...

When you cut away tasks that drain you, you have more energy and time for the things that matter. In the end, the goal of the 80/20 is to achieve more with less, so that we can make the most out of our time on earth. To focus on what gives us the most meaning, so that we can achieve the greatest fulfillment and happiness.

How to Do Less and Achieve More. By Tiffany Dufu. Illustrations by Eleni Kalorkoti. Many women are terrified of dropping the ball: the career ball, the family ball, the friend ball. ...

What if you can do do less to achieve more in your goals, and stop trading your wellbeing to get there? Whether you're just starting out as an entrepreneur or you're someone that's growing your business, it may seem like you need to do what everyone else 'out there' is doing to be successful.

Achieve More By Doing Less. Don't get addicted to busyness, or let it become a badge of honor. You can do less—and feel good about it. Christine Carter shows you how.

Do Less to Achieve More - Forbes

So if you want to do less and achieve more, my first suggestion is that you take a personal stand against busyness. Its only function is to occupy your time with things that may not be relevant at best and may distance you from your real goals at worst. So, when someone asks you how you are doing, try any of the following answers:
