Eastern Sentiments collects short feuilleton-pieces -- anecdotal essays, as translator Poole suggests in her Introduction, a popular form in Korea in the 1930s -- ranging across a variety of topics but most at least touching on culture, art, and literature in a Korea then still under Japanese rule and subject to the cultural influence of 'the West' (specifically with regard to

forms such as the novel).

Eastern Sentiments is a collection of anecdotal essays and not short stories, yet as essays the writings gathered here are, if anything, more partial and fragmented than any short story, suggesting a connection between their form and the environment of late colonial Korea. The anecdotal essay had been enjoying a surge in popularity when Yi T'aejun was writing in the late 1930s, and his collection is generally considered a masterpiece of the form.
