A - Configuring an Agilent LC in Empower The next series of steps enables the connected system to be configured and visible in Empower. 1. Click CI File, New and click Chromatographic System to make the new LC system accessible to Empower.

#### Controlling the Agilent 1260 Infinity/1290 Infinity II ...

Simon seems to have written some texts about CDS in Kromidas's HPLC Expert I/II and from what I gathered from the preview (Extract), it seems to be a nice introduction to Empower. To be honest, accompanying Empower documentation from Waters is not really newbie friendly, especially from a visual angle (makes sense since it's documentation not a user guide).
