VOA - Voice of America English News

Comprehension is the reason for reading, but it can be the most difficult skill to master — especially for English language learners (ELLs). ELLs often have problems learning science, math, or social studies concepts, for example, because they cannot comprehend the textbooks for these subjects.

Reading Comprehension Strategies for English Language Learners

The research on these aspects of second-language literacy learning is limited. However, the research that has been done indicates that English learners clearly benefit from explicit instruction in phonemic awareness and phonics for English reading (Shanahan & Beck, 2006). That shouldn't be too surprising.
