Exploring Family Theories

Exploring Family Theories presents a variety of sociological theories that explain "family". A different sociological theory is presented in each chapter, along with examples that show how each theoretical perspective is applied to explain the dynamics of life in a "family".

Exploring Family Theories - Paperback - Suzanne R. Smith ...

The family development theory is based on the idea that just like individuals a family changes over time. This theory started in the late 1940's becoming a mixture of the psychology and sociology family theories. The psychology family theory lacked a full explanation on what happens to families when there is "competing individual needs" (page...

Offering a diverse variety of perspectives, Exploring Family Theories, Third Edition, is a combined text/reader that integrates theory with research and applications. In each chapter, Suzanne R. Smith and Raeann R. Hamon present the history, scholarship, and critiques of one principal family theory in a concise manner.
