"Facts are Sacred", the "Guardian's" award-winning datablog, publishes and analyses seemingly benign data - released under the auspices of transparency - to bring its readers astonishing revelations about the way we live now.

Finally, the customer service team for FACTS are the best in the business. Nineteen times out of twenty, I reach our dedicated rep on the first ring. This is a team that is dedicated to providing the most comprehensive and innovative school management solutions.

The problem is that there is actually very little to read. This is two different books smushed into one: a look into info-journalism; a collection of cool info graphics. My problem with the book is that as you read the chapters, there are accompanying graphics that are tangentially connected to the narrative.

In Sikhism, devotees use a mala or a sacred string that has 108 knots tied up in a string of wool instead of beads.
