## AAD - LAM ALEJANDRO

---

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores how people are changed by meeting Jesus personally—and how we can be changed encountering him today. The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn't seem to work in the real world. But when they met Jesus, things immediately started to change for them. It seems he not only had the answers—he was the answer. In *Encounters with Jesus*, Timothy Keller shows how the central events and meetings in Jesus' life can change our own lives forever. "Keller's work belongs on the bookshelf of every serious Bible student." —Examiner "Keller has mined the gold from these texts of Scripture, and any Christian is bound to have their minds expanded and hearts stirred." —Grace for Sinners

Assisted by a diverse mass media industry, American evangelicalism has been long plagued by consumerism, en-

trepreneurism, and social engineering. Churches and movements that carry the name of Christ have become projects of ambition and scandals in the public eye. Without fixing its dysfunctions, these ministry models have expanded to other parts of the world, reaping similar fruits of corruption, prejudice, and abuses. The alarm call of #MeToo and #ChurchToo movements since 2017 made it more urgent for the global body of Christ to inspect its pathological patterns. What kind of response does the #MeToo movement require of our public theology and leadership ethics? Sociologist Li Ma invites us to re-engage with biblical exegesis while being attentive to new mandates of God revealed from #MeToo. A creative Ellulian integration of sociological analysis and theology, *Babel Church* incisively reveals why American evangelicalism and its global projects have succumbed to the temptations of worldly power at the expense of vulnerable members in the body of Christ.

Timothy Keller, renowned pastor and New York Times bestselling author, examines Jesus' ascension into Heaven and

why this act is an important resource for Christians in *The Father and Son*, the ninth installment in his *Encounters with Jesus* eBook series. Jesus' ascension into Heaven—the end of his earthly life—is one of the most puzzling moments in the Gospels. It marks the moment when Jesus was no longer limited to a specific point in space and time. In *The Father and Son*, Timothy Keller, pastor of New York's Redeemer Presbyterian Church and New York Times bestselling author of *The Reason for God*, explains why this means our encounters with Jesus can be richer now that he is available to us in all times and places.

Timothy Keller's expository guide to Galatians is a personal and group curriculum that will excite ordinary Christians in their faith and equip teachers and preachers in their work.

In this six-session small group Bible study, *The Reason for God*, captures live and unscripted conversations between Tim Keller and a group of people to address their doubts and objections to Christianity. Pack includes one Discussion Guide and one DVD.

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (*Christianity Today*) and the "C.S. Lewis for the 21st century" (*Newsweek*). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, athe-

ists, and agnostics, he provides a challenging argument for pursuing the reason for God.

This collection provides vivid ethnographic explorations of particular, local Christianities as they are experienced by different groups around the world. At the same time, the contributors, all anthropologists, rethink the vexed relationship between anthropology and Christianity. As Fenella Cannell contends in her powerful introduction, Christianity is the critical "repressed" of anthropology. To a great extent, anthropology first defined itself as a rational, empirically based enterprise quite different from theology. The theology it repudiated was, for the most part, Christian. Cannell asserts that anthropological theory carries within it ideas profoundly shaped by this rejection. Because of this, anthropology has been less successful in considering Christianity as an ethnographic object than it has in considering other religions. This collection is designed to advance a more subtle and less self-limiting anthropological study of Christianity. The contributors examine the contours of Christianity among diverse groups: Catholics in India, the Philippines, and Bolivia, and Seventh-Day Adventists in Madagascar; the Swedish branch of Word of Life, a charismatic church based in the United States; and Protestants in Amazonia, Melanesia, and Indonesia. Highlighting the wide variation in what it means to be Christian, the contributors reveal vastly different understandings and valuations of conversion, orthodoxy, Scripture, the inspired word, ritual, gifts, and the concept of heaven. In the process they bring to light how local Christian practices and beliefs are affected by encounters with colonialism and modernity, by the opposition between Catholicism and Protestantism, and by the proximity of other religions

and belief systems. Together the contributors show that it not sufficient for anthropologists to assume that they know in advance what the Christian experience is; each local variation must be encountered on its own terms. Contributors. Cecilia Busby, Fenella Cannell, Simon Coleman, Peter Gow, Olivia Harris, Webb Keane, Eva Keller, David Mosse, Danilyn Rutherford, Christina Toren, Harvey Whitehouse

Through this eight-week small group Bible study, *Gospel in Life*, Timothy Keller explores with participants how gospel can change hearts, communities, and how we live in the world. This pack includes one softcover 230-page Participant Guide and one DVD.

*Study Six Major Bible Themes with Free Companion Videos* Dozens of major themes run throughout the Bible, each one pointing to Jesus in its own unique way. Discover the intriguing story contained within six of these themes as you watch them unfold from Genesis to Revelation. *Trace the Themes* is a free Bible study guide that includes thought-provoking discussion questions and links to companion videos that help set the stage for studying each of the six topics covered. *The Word of God* *The Presence of God* *The People of God* *Redemption* *Holiness* *Mission* *Trace the Themes* is perfect for small groups, family devotions, and individual study. Spence Shelton is the Lead Pastor of Mercy Church in Charlotte, NC. Spence believes God has called Mercy Church to be a part of seeing a gospel awakening in Charlotte that gets carried to the ends of the earth. Spence has authored numerous small group studies including co-authoring *The Meaning of Marriage* small group study with Tim & Kathy Keller. Prior to planting Mercy Church in 2015, Spence served as

a pastor at the Summit Church in Raleigh-Durham, NC.

The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told. One similarity unites each testimony--that none of his most loyal and steadfast followers could "see" it was him, back from the dead. The reason for this is at the very foundation of the Christian faith. She turned around and saw Jesus standing there, but she did not realize that it was Jesus. (John 20:14) *Hope in the Time of Fear* is a book that unlocks the meaning of Jesus's resurrection for readers. Easter is considered the most solemn and important holiday for Christians. It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb. For his devoted followers, nothing could prepare them for the moment they met the resurrected Jesus. Each failed to recognize him. All of them physically saw him and yet did not spiritually truly see him. It was only when Jesus reached out and invited them to see who he truly was that their eyes were open. Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it--filled with unshakable belief, piercing insight, and a profound new way to look at a story you think you know. After reading this book, the true meaning of Easter will no longer be unseen.

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller shows how God calls on each of us to express meaning and purpose through our work and careers. "A touchstone of the [new evangelical] movement." —The New York Times Tim Keller, pastor of New York's Redeemer Presbyterian Church and the New York Times bestselling author of *The Reason for God*, has taught and counseled students, young

professionals, and senior leaders on the subject of work and calling for more than twenty years. Now he pulls his insights into a thoughtful and practical book for readers everywhere. With deep conviction and often surprising advice, Keller shows readers that biblical wisdom is immensely relevant to our questions about work today. In fact, the Christian view of work—that we work to serve others, not ourselves—can provide the foundation of a thriving professional and balanced personal life. Keller shows how excellence, integrity, discipline, creativity, and passion in the workplace can help others and even be considered acts of worship—not just of self-interest.

In *Serving a Movement*, best-selling author and pastor Timothy Keller looks at the nature of the church's mission and its relationship to the work of individual Christians in the world. He examines what it means to be a "missional" church today and how churches can practically equip people for missional living. Churches need to intentionally cultivate an integrative ministry that connects people to God, to one another, to the needs of the city, and to the culture around us. Finally, he highlights the need for intentional movements of churches planting new churches that faithfully proclaim God's truth and serve their communities. This new edition contains the third section of *Center Church* in an easy-to-read format with new reflections and additional essays from Timothy Keller and several other contributors.

From pastor and New York Times best-selling author Timothy Keller comes the perfect gift for the Christmas holiday—a profoundly moving and intellectually provocative examination of the nativity story. Even people who are not practicing Christians think they are familiar with

the story of the nativity. Every Christmas displays of Baby Jesus resting in a manger, decorate lawns and churchyards, and songs about shepherds and angels fill the air. Yet despite the abundance of these Christian references in popular culture, how many of us have examined the hard edges of this biblical story? In his new book Timothy Keller takes readers on an illuminating journey into the surprising background of the nativity. By understanding the message of hope and salvation within the Bible's account of Jesus' birth, readers will experience the redeeming power of God's grace in a deeper and more meaningful way.

Renowned pastor and New York Times bestselling author Timothy Keller writes the book his readers have been asking for: A year-long daily devotional, beautifully designed with gilt edges and a gold ribbon marker. The *Book of Psalms* is known as the Bible's songbook—Jesus knew all 150 psalms intimately, and relied on them to face every situation, including his death. Two decades ago, Tim Keller began reading the entire *Book of Psalms* every month. The *Songs of Jesus* is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible...by first throwing

out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include: Service: Marriage Isn't about You Covenant: Created to Make Promises Roles: Loving through Mutual Submission Singleness: Strengthening the Spiritual Family Sex: The Act of Covenant Renewal Hope: Seeing the Great Horizon Designed for use with The Meaning of Marriage Video Study (sold separately).

Being a parent in the modern world is tough. We are often overwhelmed with fear about damaging our children, guilt about our imperfections, and confusion about our role. Harriet Connor knows these feelings well. But hers is not just another parenting book full of "shoulds and shouldn'ts" to make you feel worse. Rather, she invites you to step back and consider the bigger picture: What is the purpose of life and parenthood? What are our human limitations? How can we cope with our guilt and fear? What are

our family's values and how do we pass them on? What is our family's structure and place within the wider community? When she was desperate for answers, Harriet Connor turned to the ancient wisdom of her ancestors--the Bible. She went looking for little pieces of grandmotherly advice, but what she found was a grand vision--a big picture--that made sense of both life and parenthood. Whether you are new to the Bible or have read it before, you will not regret taking time to reflect on its message, which has given comfort and guidance to generations of parents just like you.

A revealing look at how user behavior is powering deep social divisions online—and how we might yet defeat political tribalism on social media In an era of increasing social isolation, platforms like Facebook and Twitter are among the most important tools we have to understand each other. We use social media as a mirror to decipher our place in society but, as Chris Bail explains, it functions more like a prism that distorts our identities, empowers status-seeking extremists, and renders moderates all but invisible. *Breaking the Social Media Prism* challenges common myths about echo chambers, foreign misinformation campaigns, and radicalizing algorithms, revealing that the solution to political tribalism lies deep inside ourselves. Drawing on innovative online experiments and in-depth interviews with social media users from across the political spectrum, this book explains why stepping outside of our echo chambers can make us more polarized, not less. Bail takes you inside the minds of online extremists through vivid narratives that trace their lives on the platforms and off—detailing how they dominate public discourse at the expense of the moder-

ate majority. Wherever you stand on the spectrum of user behavior and political opinion, he offers fresh solutions to counter political tribalism from the bottom up and the top down. He introduces new apps and bots to help readers avoid misperceptions and engage in better conversations with the other side. Finally, he explores what the virtual public square might look like if we could hit "reset" and redesign social media from scratch through a first-of-its-kind experiment on a new social media platform built for scientific research. Providing data-driven recommendations for strengthening our social media connections, *Breaking the Social Media Prism* shows how to combat online polarization without deleting our accounts.

Pastor, preacher, and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller shares his wisdom on communicating the Christian faith from the pulpit as well as from the coffee shop. Most Christians—including pastors—struggle to talk about their faith in a way that applies the power of the Christian gospel to change people's lives. Timothy Keller is known for his insightful, down-to-earth sermons and talks that help people understand themselves, encounter Jesus, and apply the Bible to their lives. In this accessible guide for pastors and laypeople alike, Keller helps readers learn to present the Christian message of grace in a more engaging, passionate, and compassionate way. In recent years, millions of people have joined churches such as the Seventh-day Adventist which prosper enormously in different parts of the world. *The Road to Clarity* is one of the first ethnographic in-depth studies of this phenomenon. It is a vivid account based on almost two years of participation in ordinary church members' daily religious and non-religious

lives. The book offers a fascinating inquiry into the nature of long-term commitment to Adventism among rural people in Madagascar. Eva Keller argues that the key attraction of the church lies in the excitement of study, argument and intellectual exploration. This is a novel approach which challenges utilitarian and cultural particularist explanations of the success of this kind of Christianity.

In *Parenting Unchained - Overcoming the Ten Deceptions that Shackle Christian Parents*, Dr. James D. Dempsey reveals the ten most destructive lies about parenting. He writes from the heart about the way these lies infected his own parenting, and illuminates the Bible's powerful truths that counter each lie. Both Biblical and practical, each section ends with home activities to help parents take immediate steps to develop their kids' character--character that lasts when they leave home. The last chapters focus on the most important adjustments parents must make with teenagers to prepare them for independence. Weaving humor into strong warnings, *Parenting Unchained* points out the hazards that derail the parenting journey.

Embedded in the depths of our being is the desire to be better people and make a lasting contribution to the world. However, it appears that evil is winning the war over good - and our day to day existence offers little to no influence over circumstances. This book will help guide you on the journey of becoming an agent of change. It is designed to be used in a variety of ways: personal inspiration, a devotional tool to draw people closer to God, a small group study, an adult Sunday School curriculum, or the foundation for a sermon series. The book is compact enough to be read and applied in a brief amount of time. Discover how you can

powerfully impact yourself and the world!

From pastor and New York Times best-selling author Timothy Keller comes a beautifully packaged, yearlong daily devotional based on the Book of Proverbs. Proverbs is God's book of wisdom, teaching us the essence and goal of a Christian life. In this 365-day devotional, Timothy Keller offers readers a fresh, inspiring lesson for every day of the year based on different passages within the Book of Proverbs. With his trademark knowledge, Keller unlocks the wisdom within the poetry of Proverbs and guides us toward a new understanding of what it means to live a moral life. God's Wisdom for Navigating Life is a book that readers will be able to turn to every day, year after year, to cultivate a deeper, more fulfilling relationship with God. This makes a perfect companion to Keller's devotional on the Psalms, The Songs of Jesus.

Anyone involved in Christian ministry knows how challenging it is to balance ministry and family responsibilities. Many demands pull leaders in different directions—making it easy to neglect one or the other, often without even realizing it. Writing from decades of counseling and personal ministry experience, Ajith Fernando points Christian leaders back to the most important aspect of their lives: their relationship with God. He then offers practical guidance for responding to real-life situations in the home, including disciplining children, dealing with disappointment, loving one's spouse, and pursuing joy. This book presents Christian leaders with a healthy and God-centered understanding of family that leads to a flourishing home.

Offers a collection of Bible stories from the Old and New Testaments, discussing

some of the lessons that can be learned from each one.

Timothy Keller takes readers behind the scenes to meet the people and understand the events that formed Keller's spiritual life and ministry priorities. Millions have read books and listened to sermons by Timothy Keller. But which people and what events shaped his own thinking and spiritual growth? With unfettered access to Keller's personal notes and sermons--as well as exclusive interviews with family members and longtime friends--Collin Hansen gives you unprecedented understanding of one of the 21st century's most influential church leaders. Spend any time around Timothy Keller and you'll learn what he's reading, what he's learning, what he's seeing. The story of Timothy Keller is the story of his spiritual and intellectual influences, from the woman who taught him how to read the Bible to the professor who taught him to preach Jesus from every text to the philosopher who taught him to see beneath society's surface. For the first time, Hansen introduces readers to Keller's early years: the home where he learned to tell stories from the trees, the church where he learned to care for souls, and the city that lifted him to the international fame he never wanted. You'll discover how to: Understand the principles and practices that allowed Keller to synthesize so many different influences in a coherent ministry. Take the best of Keller's preaching and teaching to meet emerging challenges in the 21st century. Develop your own historical, theological, and cultural perspectives to shape your leadership. This is the untold story of the people, the books, the lectures, and ultimately the God who formed and shaped the life of Timothy Keller.

Every Christian should have a story of faith to tell. When we take time to recognize God's hand in our everyday lives, our stories of faith will write themselves. Within the pages of this book you will be inspired to: Spend time daily reading God's Word. Spend time daily pouring out your heart to the only one who can move heaven and earth to meet your specific needs. Spend time daily anticipating the Good Shepherd to lead you in paths of righteousness for His name's sake. Start recording your own stories of faith to pass on as a legacy to the next generation. Sometimes we believers carry a false sense of failure, thinking we are simply not doing enough for the Lord. What we often fail to remember is it is not what we do for the Lord that grows our faith, but what we allow Him to do for us and through us. The first mindset causes us to focus on ourselves and fuels our desire for the recognition and accolades only the Lord deserves. The second mindset gives glory where glory is due. God is to be glorified in our lives every day. May you be encouraged. In this original digital short, author and co-founder of Redeemer Presbyterian Church Kathy Keller recounts her experience growing up in "gender-neutral" home. "My first encounter with the ideas of [male] headship and [female] submission," she writes, "was both intellectually and morally traumatic." Yet Keller came to adopt the view that men and women have different roles in marriage and ministry, and that fulfilling such roles pleases God and leads to greater personal fulfillment. In this unapologetic but nuanced piece, Keller presents a caring and careful case for biblical gender differences and the complementarian view of women in ministry. At the same time, she encourages women to teach and lead in the church in ways that may star-

tle some complementarians. Readers on both sides of this hot-button topic will be challenged by her ministry-tested and thoroughly Scriptural perspective.

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller—whose books have sold millions of copies to both religious and secular readers—explores one of the most difficult questions we must answer in our lives: Why is there pain and suffering? *Walking with God through Pain and Suffering* is the definitive Christian book on why bad things happen and how we should respond to them. The question of why there is pain and suffering in the world has confounded every generation; yet there has not been a major book from a Christian perspective exploring why they exist for many years. The two classics in this area are *When Bad Things Happen to Good People* by Rabbi Harold S. Kushner, which was published more than thirty years ago, and C. S. Lewis's *The Problem of Pain*, published more than seventy years ago. The great secular book on the subject, Elisabeth Kübler-Ross's *On Death and Dying*, was first published in 1969. It's time for a new understanding and perspective, and who better to tackle this complex subject than Timothy Keller? As the pastor of Redeemer Presbyterian Church in Manhattan, Timothy Keller is known for the unique insights he shares, and his series of books has guided countless readers in their spiritual journeys. *Walking with God through Pain and Suffering* will bring a much-needed, fresh viewpoint on this important issue.

Teenage hassles that disrupt parents' lives? Or prime opportunities to connect with, listen to, and nurture our kids? Paul Tripp uncovers the heart issues affecting parents and their teenagers during the

often chaotic adolescent years. With wit, wisdom, humility, and compassion, he shows parents how to seize the countless opportunities to deepen communication, learn, and grow with their teenagers.

In centuries past, the church has used catechisms to teach foundational Christian doctrines. Today, this communal practice of learning basic beliefs via questions and answers has largely been lost. Seeking to restore this ancient method of teaching to the regular life of the church, *The New City Catechism Devotional* is a gospel-centered, modern-day resource that not only summarizes important Christian beliefs through 52 questions and answers but also helps readers meditate on and be transformed by those doctrines. Each question features devotional commentary written by leading contemporary and historical figures such as John Piper, Timothy Keller, Kevin DeYoung, D. A. Carson, Alastair Begg, Mark Dever, Augustine, John Calvin, Jonathan Edwards, John Owen, Martin Luther, and many others. Each question also includes a relevant Scripture reading and short prayer. Designed for use in a variety of contexts, including with families, churches, and small groups, *The New City Catechism Devotional* stands as a valuable resource for helping adults and children alike learn the key doctrines that stand at the heart of the Christian faith.

Keller explores a life of justice empowered by an experience of grace.

Can Christian community be good for you, me and everyone else? How do we deal with our sin? How do we learn to forgive? How can we raise up the next generation in Christ? The Christian gospel transforms every aspect of our lives. If we don't understand that, we don't understand Christianity. The Centre for

Christian Living, which operates out of Moore Theological College in Sydney, aims to bring biblical ethics to everyday issues—taking the theology and knowledge of God and showing how it shapes and directs every aspect of our daily lives. To that end, we have compiled this annual, which collects some of the material from our activities during 2021: essays from our public events (which were all on the theme of “community”), highlights from our podcast and articles by members of our student team at Moore College. Our hope is that you will find this collection helpful and encouraging as you live out the Christian life.

This modern-day catechism sets forth fifty-two questions and answers designed to build a framework to help adults and children alike understand core Christian beliefs.

Pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah—the most misunderstood parable in the Bible. Previously published as *The Prodigal Prophet* the story of Jonah is one of the most well-known parables in the Bible. It is also the most misunderstood. Many people, even those who are nonreligious, are familiar with Jonah: A rebellious prophet who defies God and is swallowed by a whale. But there's much more to Jonah's story than most of us realize. In *Rediscovering Jonah*, pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah. Keller makes the case that Jonah was one of the worst prophets in the entire Bible. And yet there are unmistakably clear connections between Jonah, the prodigal son, and Jesus. Jesus in fact saw himself in Jonah. How could one of the most defiant and disobedient prophets in the Bible be

compared to Jesus? Jonah's journey also doesn't end when he is freed from the belly of the fish. There is an entire second half to his story—but it is left unresolved within the text of the Bible. Why does the book of Jonah end on what is essentially a cliffhanger? In these pages, Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable—and shares the powerful Christian message at the heart of Jonah's story.

Today many pastors are struggling to adapt to a post-Christian culture without abandoning orthodox theology. How do we communicate the concepts of grace and substitutionary atonement in our globalized culture and context? In *Center Church*, Timothy Keller offers challenging insights and provocative questions based on over twenty years of ministry in New York City. This book outlines a theological vision for ministry - applying classic doctrines to our time and place -

organized around three core commitments:

- Gospel-centered: The gospel of grace in Jesus Christ changes everything, from our hearts to our community to the world. It completely reshapes the content, tone and strategy of all that we do.
- City-centered: With a positive approach toward our culture, we learn to affirm that cities are wonderful, strategic and underserved places for gospel ministry.
- Movement-centered: Instead of building our own tribe, we seek the prosperity and peace of our community as we are led by the Holy Spirit. "In this important book, Tim Keller unpacks the gospel and gently but firmly reminds us that it is nonnegotiable. At the same time, he enables us to think through how we can responsibly interact with the culture, how we can - indeed, must - appreciate good things within it, and how we can firmly and faithfully apply the gospel to it." - D.A. Carson, research professor of New Testament, Trinity Evangelical Divinity School
