Financial Literacy for Managers by Richard A. Lambert ...

The findings show the complete effect of business owner-manager's financial knowledge, financial awareness and financial attitude in converting financial literacy to increase in firm performance.

Amazon.com: Financial Literacy for Managers: Finance and ...

SME Managers and Financial Literacy—Anthony Abiodun ...

Financial literacy is the understanding of financial terminology, statements, and concepts, and knowing how to use this information to make a financial impact. The first step is to read up on the language and documents your company uses to talk about and track finances.

According to Annamaria Lusardi, founder and academic director of the Global Financial Literacy Excellence Center at George Washington University's School of Business, "One in five American high school students [lack] even basic financial skills—such as the ability to interpret a pay stub to determine how much money will be deposited into their bank account or the savvy to avoid being tricked into sharing an online bank account logon."

Financial Literacy Training for Non-Financial Managers

By shoring up your financial literacy, you will become more confident and comfortable talking about topics of a financial nature. This is turn will improve your credibility, as many of your financial decisions will involve the ability to process accounting information.

Teaching financial literacy at a young age creates opportunities for a better financial future through effective money management. Surprisingly, children as young as preschool-age can learn basic money skills that will help them navigate the complexities of finances later in life. Start with the basics.

The advantageous feature of the financial literacy of SME managers contributes to economic and social liberation in increasing productivity, investment, income, savings and consumption. Financial literacy is essential to study financial decisions by SME managers.

Our Financial Literacy Efforts Get an 'F' | CU Management

What made the experience of listening to Financial Literacy for Managers the most enjoyable? Great information, enough detail to make it valuable, and not too involved to be cumbersome and boring. But, she stresses, the mission must be far broader than that: literacy in finance, like literacy in language, must be instilled in any community that lacks it.

Why financial literacy matters more than ever | Financial ...

Financial Literacy for Managers: Finance and Accounting ...

Financial Literacy for Managers—Wharton School Press

The goal of Financial Literacy for Managers: Finance and Accounting for Better Decision-Making isn't to teach readers how to compile the financials. Leave that to the accounting and finance staffs, the CPAs, and the CFOs; they know all the rules and regulations. Instead, my goal is to teach you how to use and interpret the data they give you.
