Forexlive | Forex Technical Analysis Live Updates

Forex technical analysis is as hated and as loved by Forex traders. Those traders trading Forex fundamental analysis will be against using technical analysis because they believe everything in Forex is about fundamentals. However, there is a big number of traders that use technical analysis and price action to trade the the Forex currency market.

Forex technical analysis | Set and Forget

The Forex market is a challenging arena. At times, volatility is almost stationary; other times it's enough to take your breath away. However, there are traders and investors who still consistently manage to generate returns. Most traders/investors are knowledgeable in technical analysis but few take the time to master fundamental analysis.
