Australian Aboriginal Mythology. Australian Aboriginal myths (also known as Dreamtime stories, Songlines or Aboriginal oral literature) are the stories traditionally performed by Aboriginal peoples within each of the language groups across Australia. All such myths variously tell significant truths within each Aboriginal group's local landscape.

The Aborigines learned about their beginnings through their Dreamtime creation folklores that told of the momentous actions of the creators. The myths were the foundation of Aboriginal society and provided certainty about existence. The Australian aborigines believed that the land they occupied was once not in existence like it is today.

Dreamtime or Dreaming for Australian Aboriginal people represents the time when the Ancestral Spirits progressed over the land and created life and important physical geographic formations and sites. Aboriginal philosophy is known as the Dreaming and is based on the inter-relation of all people and all things.
