We have all been told that Solomon was a noble and wise ruler in ancient times. However, in the past twenty years, much of our understanding about biblical times has changed. Eminent archaeologists have indicated that Solomon was not his real name, but one given to him some time after his death. Furthermore, increased understanding of ancient languages has resulted in the correction of many translation errors and changed our perception of biblical events. This reveals that what the church has promoted for several centuries may have to be reconsidered. This book reveals a secret that has been lying at the center of Freemasonry for hundreds of years. Who really was Solomon and what was the nature of the secret knowledge he possessed? This book reveals how the temple would have worked and its connection to modern Freemasonry. The pentagram, or Solomon's Seal, is a Masonic symbol. Where did it come from and what is its meaning?

With all the evidence compiled in this book, including some which has only come to light relatively

recently, you can draw your own conclusions from a story which will look very different to the one you learned at school. Was Jesus Christ a mythical figure who was never intended by the early founders of the religion to be a walking, talking historical person? By examining the earliest historical sources referred to in this book with an open mind, you will be free to decide who Jesus is for you today.

Solomon's Temple in Jerusalem—reputed to be the source of the most esoteric knowledge in human history—has fascinated scholars, seekers, and dreamers for centuries. For generations, scholars and researchers have tried in vain to discover the fabled Temple of Solomon, only to be confronted by one problem after another. All the problems raised by these disparate and often desperate people have now been fully answered and can be revealed to the world. Through his own involvement in secret societies and his tenacious spirit, Philip Gardiner has unearthed the secrets of the Temple. From the Queen of Sheba and the arcane secrets of the Christian Gnostics to the Muslim Sufi and Hindu Avatars, Gnosis weaves a tale that is both profound and precise. Gardiner declares that the truth of Solomon's Temple has been known all along within the realm of esoteric understanding. Only one question remains: Is the world ready for the truth? Find the true secret of the Knights Templar and the mysteries of the ancients. Find the truth for yourself in Gnosis.

David Oakford's story is true, real, and utterly profound. Although street drugs were clearly the initial for this NDE, what happened next was a full-blown ascended state of consciousness that is well-documented in the spiritual and scientific literature. This book is once again revealing that NDE's are not magic, nor do they produce saints. And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening. Because ultimately there emerged a transformed man who knew, positively knew, that there is more to life and death than we are taught in our religious organizations, and more to God's greater plan for us than we can imagine today.

For thousands of years, a select few attended ancient mystery schools and temples around the world. These schools taught the nature and destiny of mankind, the magical universe in which we reside, and revealed powerful secrets regarding universal natural laws. In 9 Life Altering Lessons: Secrets of the mystery schools unveiled, esoteric teacher Kala Ambrose brings some of the most important and relevant lessons to the modern world. Kala discusses many of the ancient mystery school topics, which are designed to stir the soul, awaken the mind and reveal long forgotten memories of past lives in these schools, as well as inspire you to explore the magnificence of who you really are. Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry re-

vealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers those questions and more.

NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure.

This is the extraordinary story of the discovery of the ultimate secrets of some of the world's most enigmatic mysteries - including the Holy Grail, the Elixir of Life and the Philosopher's Stone.

The story of the mysterious, ancient priesthood with a mission to preserve their secret knowledge to help humanity - but also to control the development of the world.

From the Queen of Sheba to the arcane secrets of the Christian Gnostics, from the Muslim Sufi to the Hindu Avatars, this book weaves a tale so profound and so precise that it will re-write not only the history of this Temple to the Lord, but will also bring to the world a new method of psychology.

Secrets of the Serpent: In Search of the Sacred Past - Special Revised Edition, Featuring Two New Appendices by Philip Gardiner. With his recent best-selling books and hundreds of articles, as well as radio and TV appearances, Philip Gardiner has started a crusade for uncovering the truth, and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. In one dramatic episode he finds himself driven out of Berlin in a black

Mercedes by a secret organization that was believed to have disappeared after the second World War and eventually arrives in a modern Nazi watering hole. Gardiner, however, survives this incredible journey and brings us the secrets of the Order held sacred for so long. Gardiner delves into a world that is often hidden from our eyes and finds himself in situations that seem to mirror the fictional world of the Da Vinci Code. Throughout Secret Societies, Gardiner: —Uncovers an ancient secret society thought to have died out many years ago. —Gets to the core of the secret societies' belief systems. —Explores the secret origins of Freemasonry and the links to secret Serpent Cults. —Investigates the secret hidden meaning of King Arthur and Robin Hood. —Examines the claimants to the name of Illuminati, and analyzes the history of the group in Europe and America. —Reveals the secret links within the Vatican and the Nazi Party. —Looks in-depth at the white-powdered gold theory supposedly kept secret by orders throughout time and radically re-appraises it. —Shows the link between the so-called enlightenment experience and the control of our minds. Nobody in the genre involves themselves in the tale in the same way that Gardiner does, and here he shows that the search for ultimate truth can often be a terrifying one.

'HRILIU: Symbolic Explorations of the Gnostic Mass' is an in-depth look at the central ritual of Ordo Templi Orientis (O.T.O.). The first half of the book gives a general overview of the Gnostic Mass from several different perspectives, including an examination of the basic symbols at work in the mass, the Officers, magical energy, and how Baphomet might play a major factor... The second half of the book is a detailed analysis of the rubric of Liber XV: Ecclesiae Gnosticae Catholicae Canon Missae, the ritual text of the Gnostic Mass itself. IAO131 goes line by line through the text and goes into symbolic aspects of every part of the Gnostic Mass. The book takes its title 'HRILIU' from the climax of this ritual, when the Priest and Priestess simultaneously utter this angelic word in rapturous communion. Overall, this tome comes in at almost 400 pages of symbolic and Qabalistic exploration of this beautiful and sacred Rite."

Friendship with the Judge came at a pivotal time in Doc's life; he quickly became the closest, truest,

most generous brother Doc ever knew. They were a chemical reaction when they came together with a thought, an idea or a plan to pull off another coup. As the saying goes, "There's synergy creating energy that's stronger than the sum of its parts." That was Doc and the Judge, the Judge was fire, Doc was water. The Judge was all reaction and Doc was all control. Doc and the Judge redefined "business as usual." They didn't just "break on through to the other side" as Jim Morrison urged in his hypnotic sixties reverie they crashed and crashed on through! They made tons of money for the grey suits that supported and funded them, and a tidy pile of cash for themselves along the way. Though it was truly not about the money for them, it was about being "dudes." They defined themselves, daring the world to defy their ability to turn cultural trends into big money returns for the true believers who backed them. They never compromised, never shrank from a battle and never feared losing it all. Their business acumen and inherent credibility was inextricably linked to their integrity and musical and business authenticity. Doc watched over the Judge for his own good and the Judge knew and respected his faith. The Judge was a searing, shooting star flashing blindingly across the night sky and defiantly demanding acceptance on his own terms. The Doc executed the business and kept it real. They took on the world, bought and sold it many times over laughing ALL THE WAY TO THE BANK. They were inseparable during the decade of the 70's, Butch and the Kid many called them. The Judge always swore he ruled his court. Doc smiles at these memories suspecting that even now he's hanging out with God and is slipping a wickedly powerful toke or perhaps a St. Pauli's girl to the Apostles when the big "G" isn't looking.

Many people have no understanding of what the word gnosis means, others think that it simply means knowledge and leave it at that. Yet there is a deeper meaning. It is a word that gives rise to the title Gnostic, or one who has special knowledge. The true definition of the term gnosis is the direct mystical experience of the Divine in the self. It is the realization of the true nature of ourselves, and cannot be discerned through intellectual dogma or doctrine, but only through experience.

Sketching out a fascinating network of historic figures, cults, and Christendom, this book by an occult-studies expert and respected authority on magic and sorcery takes Western spiritual traditions seriously—but examines them with common sense and self-effacing humor. Working backward from the Freemasons to one of their original orders, the 14th-century Knights Templar, the account considers sorcery, heresy, and intrigues; explores the legend that the Knights possessed a powerful secret dangerous to the Church of Rome; and finds an essential clue to the order's practices in their connection to the biblical Solomon, king of Israel in the 10th century BC. This updated edition features new images, chapters on important symbols, and a new preface.

In this selection of thirty of Rudolf Steiner's most important lectures on the Festivals, he identifies and illumines the true meaning behind Christmas, Easter, Ascension and Pentecost, and Michaelmas, emphasizing both their inner-spiritual and outer-cosmic aspects. He shows that the Festivals are not merely the commemoration of mighty historical events or truths within the Christian tradition, but are in themselves - each year - spiritual events, manifesting in seasonal and natural rhythms, which carry a significance that grows and deepens with the developing of human evolution.

Why do the Ark of the Covenant, Mary's reliquary box, and Jesus' Coffin all have the same imagery? Was the Ark the container of the Covenant, the Ten Commandments, or the Chalice? Does the image of the Shroud of Turin contain a bioelectric field? These questions and others will be explored in *The Ark, The Shroud, and Mary*. Author Philip Gardiner recently won the acclaim of both scholars and the reading public with *The Serpent Grail*, which united three of the most mysterious objects known to man—the Grail, Elixir, and Philosophers Stone. Now, in this unique and thought-provoking work Gardiner proves that the Ark of the Covenant, the Shroud of Turin, and Mary are united in ways never before imagined. Travelling across the world, from Rome to India, Portugal to Egypt, Gardiner uncovers the trail of the Ark and finds that it does not lead to Ethiopia, as many believe, but instead in a direction that nobody could have imagined. The trail of the Ark takes Gardiner on a hunt into the very heart of an ancient secret society with clandestine meetings in far-off lands. Uniting the myth, tradition, and language of the Ark with the Shroud of Turin, Gardiner then goes on to re-date it, reveal how it was made, and identify whose image it actually recreates. Through his new-found contacts in the world of secret societies, Gardiner then shows how this incredible secret was protected by a dual brotherhood throughout time and was the secret source of the enlightenment spoken of by numerous orders from the Sufis to the Knights Templar. The Ark, The Shroud, and Mary outshines *The Da Vinci Code* for the simple reason that it is the factual story of one man's fight to uncover the truth.

Some say the end of mankind is near. Some say that financial turmoil is part of the process, along with global warming, warfare and the spread of mass psychosis. Children are fed drugs to keep them calm; nations are invaded by their neighbors; the climate is changing all around us; celebrities become our gods and materialism is the new mantra. But what is the real truth? Is there an answer to all this? If our material lives are making us happier, then why so many self-help books, films and philosophies? It can't be denied that the times are changing. Every day sees new challenges for our species, while we cause mayhem and madness on an unbelievable scale. But there is a ratio to it all, a rhyme and reason behind everything that we do and everything that affects us. *Ancient Code* is a collection of 20 fascinating essays - from today's top authors and researchers - which takes a look at the Ancient Code, our relationship with it and how it relates to 2012. You will learn about a power that was first hidden and then lost over time. Many have sought to rediscover it in order to wield it selfishly. Like mad magicians seeking to rule the world, men of renown have fleetingly seen the incredible nature of this Code but all too often they have missed the point. The Ancient Code needs no

material gain, no hatred, warfare or drugs, because YOU are the key to the Code... Gibson, Andrew Gough, Jasmine Gould, Dan Green, Dr. John Jay Harper, June-Eleni Lane, Janice Manning, Marshall Masters, Brian Mayne, Steve Mitchell, Nick Pope, Dennis Price and Colin Wilson.

At the secret heart of the Western Mystery Tradition lies the angelic wisdom that forms the teachings of true magick. Drawing from a wide range of sources, this book presents a new and unique overview of Western magick and occultism, exploring how this secret tradition has been inherited from Persian, Chaldean, Canaanite, Egyptian, Arabic, Hebrew and Greco-Roman sources. It also records how this tradition was preserved in the symbols and beliefs of Esoteric Christianity, Gnosticism, Hermeticism, alchemy, medieval magick, the Cabbala, the Tarot, the Grail mythos, the Arthurian legends, Freemasonry, Rosicrucianism and some forms of traditional witchcraft. Topics include the origins of angelology; the gnostic myth of the Grigori or fallen angels; the forgotten civilisations of the giant races; the esoteric symbols within Hermeticism and Masonry that reveal the key to understanding the mythic theme of the Luciferian gnosis; the inner mysteries of the Grail; King Solomon's temple as a Goddess shrine; the real identity of the Queen of Sheba; the truth behind the myth of the Garden of Eden and the Fall; the place of the dark moon goddess Lilith in the Luciferian tradition; the symbolism and meaning of the previously forbidden Luciferian occult tradition concerning the Watchers, or fallen angels, and the so-called Prince of Darkness' - revealed to be really the Lord of Light; arcane lore that illuminates several mysterious figures in the Bible whose real signifi-

cance and identities have been hidden from us for centuries; the real occult secrets of the sacred bloodline of Jesus and Mary Magdalene and the spiritual reality behind the worship of the goat-god Baphomet by the heretical Knights Templar. This is a major work on a subject little known or discussed outside the inner circles of secret societies, occult orders and traditional witch covens. As we enter the 21st century, the information here may prove essential to understanding what is happening in the world today and the future destiny of the human race. It reveals that our modern civilisation is not the product of haphazard cultural phenomena, but its development has been guided and influenced by celestial intelligences who first made contact with humans in prehistory. These teaching angels', as they are called, are still there ready to teach and guide those who recognise their presence. This book contains several appendices that offer ritual practices for those interested in contacting the angelic forces. This is the first book to be written exclusively on the Luciferian gnosis and angelic magick which reveals the real secrets within the Western magical tradition. It provides an important and essential starting point for the reader to delve further into the numinous realm of the angels. The voice of the angels shalt speak unto you and by their signs shall ye know them.

Since the end of the Second World War many archaeological finds have been made and much has been learned, particularly from the Dead Sea Scrolls and the Nag Hammadi texts. Many early documents have come to light, which were buried to avoid the destruction of all kinds of early religious beliefs and practices ordered by the 'orthodox' Church. As a result a host of scholars, archaeologists, theologians and fiction writers have since written hundreds of books on the subject matter, which had been hidden for nearly 1800 years. Over the past six years the author has read over two hundred books, pamphlets and pages from numerous websites. He read them all with interest, but more importantly with an open mind, whatever the persuasion of the writer and whatever angle or message they have been trying to convey. This book has been put together by amalgamating many of the thoughts, ideas and claims written in these books, interspersed with the author's own thoughts and ideas. The aim is to provide for the author an explanation of what may have happened historically, and how that has affected his own thinking. It is for his own satisfaction to try to gauge the course of the history of creation and religion through to the establishment of the early Christian Church, and of course in so doing studying other religions as well.

How to make a magic carpet, become invisible, and find love are among the procedures detailed in this famous book of prayers and instructions on trafficking with the spirit world.
