How to Prepare a Company for an Initial Public Offering ...

Companies need to objectively assess their readiness for life as a public company. Going public requires management to be prepared to meet shareholder and market expectations from day one. This includes addressing ongoing compliance and regulatory requirements, operational effectiveness, risk management, periodic reporting and investor relations. Going Public in Canada was developed by Gowling WLG to provide business executives, foreign counsel and investors with a guide to their initial going-public transaction in Canada and the process for obtaining a listing on the Toronto Stock Exchange (TSX) or TSX Venture Exchange (TSX-V). This guide is current as of February 2016 and is for general
