Social Studies (7-9) Social studies provides opportunities for students to develop the attitudes, skills and knowledge that will enable them to become engaged, active, informed and responsible citizens. Recognition and respect for individual and collective identity is essential in a pluralistic and democratic society.

Social Studies (7-9) | Programs of Study - Alberta Education

Canada has undergone some major changes during its history, and your Grade 7 child will uncover the stories behind these changes. They will become familiar with the people and events that led to Canadian Confederation and with the political, economic and social changes that took place afterward. Your child will gain an understanding of Canada's development into the multicultural, bilingual, pluralistic and diverse society we know today.

Description. Written by Bruce Oka, these lesson plans cover the Alberta curriculum for grades 7-9 in Social Studies. These plans were written to assist teachers in Hutterite Colony schools but are used by teachers in regular classrooms and by homeschool families as well. Teachers in a colony school have multi-graded classes, with students that are ESL and are immersed in Hutterite culture.
