American Idiot by Green Day | JustinGuitar.com

American Idiot is the seventh studio album by American rock band Green Day, released on September 21, 2004, by Reprise Records. A concept album dubbed a "punk rock opera" by the band members, American Idiot follows the story of Jesus of Suburbia, a lower-middle-class American adolescent anti-hero. The album expresses the disillusionment and dissent of a generation that came of age in a period shaped by tumultuous events such as 9/11 and the Iraq War .

American Idiot is an unapologetic, unabashed rock opera, a form that Pete Townshend pioneered with Tommy, but Green Day doesn't use that for a blueprint as much as they use the Who's mini-opera "A Quick One, While He's Away," whose whirlwind succession of 90-second songs isn't only emulated on two song suites here, but provides the template for the larger 13-song cycle.

Green Day - American Idiot Lyrics and Tracklist | Genius

American Idiot - Green Day | Songs, Reviews, Credits ...

Green Day was already very well established on the punk scene when this album and single came out, but this one feels a world apart from their other stuff. Politically charged with a message that's proven to be pretty timeless, this song was a big deal in the States when it was first released in the midst of the Iraq war.

The first original album since 2000 from modern rock super-heroes Green Day, American Idiot is one of the most anticipated and controversial albums of the year. Scathing yet self-effacing as it tells the tale of Green Day's Billie Joe Armstrong, American Idiot is the punk rock epic. "A bold, polished punk opera."

American Idiot tab by Green Day. 785,456 views, added to favorites 1,929 times. Tuning: E A D G B E. Author shaunybaby [a] 90. 3 contributors total, last edit on Sep 20, 2020. View official tab. We have an official American Idiot tab made by UG professional guitarists.

American Idiot is a sung-through rock musical based on the 2004 concept album of the same name by punk rock band Green Day. After a run at the Berkeley Repertory Theatre in 2009, the show moved to the St. James Theatre on Broadway. Previews began on March 24, 2010, and the musical officially opened on April 20,

2010.

This song is an overview of the album's most important ideas, as well as a sort of a warning calling out to the people across the country: don't let them take away your personality, don't let them turn you into Idiot America. - song meaning courtesy of Greek-StinkBreath.net. Don't wanna be an American idiot.
