THE DEBUT CRIME THRILLER OF THE YEAR! "I bloody loved the book. Wow! Loved the twists and turns!" Ali Dunn A girl's body found mutilated by a boat's propeller, another dumped at the bottom of a slipway, and a disused Norfolk mill, hiding the secret to both. "A COLD DENSE shadow fell over Jane Richardson as she hurried along the concrete towpath. To her left, moonlight danced over the River Bure's untroubled surface as it slipped silently past, heading back the way she'd come. A low-hanging branch scratched at her face as she ducked underneath. From somewhere far behind her came the shriek of laughter, slicing through the air, only to fall silent a moment later to leave nothing but the sound of her high heels, click-clacking out a stark but steady beat." When a girl's body is found strangled, raped, and horrifically mutilated by a boat's propeller, deep in the heart of the Norfolk Broads, newly arrived Detective Inspector John Tanner is asked to assist with the investigation. At first, all the evidence points to a man who had a multi-million pound reason to kill her. But when an alibi is produced from an unexpected source, and another body appears at the base of a slipway, Tanner finds himself turning to local girl, Detective Constable Jenny Evans for help. As a more intimate relationship begins between them, they find themselves facing a race against time to identify a lethal adversary, one with a lust for blood and a mind set on revenge. Set within the mysterious beauty of the Norfolk Broads, this fast-paced British detective series is a cozy murder mystery that will have you guessing until the very end, when the last shocking twist is finally revealed. Old sins cast a long shadow in this unrelenting thriller by the author of Thunder Bay. When banners proclaiming the innocence of James Stewart spring up at the gravesite of his famous namesake—a clan leader who was falsely accused of murder and hanged almost three hundred years ago in a miscarriage of justice that still resonates—investigative reporter Rebecca Connolly smells a story. The publicity stunt was clearly meant to draw attention, but what’s behind it and why now? The young Stewart has been in prison for ten years for the brutal murder of his lover, lawyer and politician Murdo Maxwell, in his home in Appin, near the site of the Stewart monument. Rebecca soon discovers that, prior to his murder, Maxwell believed he was being followed, and his phones were tapped. What would justify a government phone tap against a public figure? And why is a Glasgow crime boss so interested? As Rebecca keeps digging, she finds herself in the sights of Inverness crime matriarch Mo Burke, who wants payback for the damage caused to her family in a previous case. Set against the stunning backdrop of the Scottish Highlands, A Rattle of Bones is a tale of injustice and mystery, and the enduring echo of the past in the present.
