Hidden America by Jeanne Marie Laskas: 9780425267271 ...

My father was a coal hewer from Goldthorpe, a coal-mining village in South Yorkshire. He played for the Yorkshire second team as an opening fast bowler - to me he was a gorgeously heroic man. He

helped form a union and closed down the Barnsley seam because it was seeping gas, and saved many, many lives.

Hidden America: From Coal Miners to Cowboys, an ...

In "Hidden America" the author spends time with some of the people who keep the cars running, the lights on, the goods moved and food on the table but who most of us never think about. She goes underground with coal miners, onto North Slope oil rigs with the men who drill for oil, rides the Midwest with a woman who drives an 18-wheeler.

Hidden America : NPR

Jeanne Marie Laskas first came across "hidden America" 500 feet underground, traveling with miners through a narrow, dark coal mine in Ohio. There, she realized how dependent Americans are on the work of miners, yet most people know very little about their world or their work.

TOP 20 COAL MINING QUOTES | A-Z Quotes

About Hidden America. Five hundred feet underground, Jeanne Marie Laskas asked a coal miner named Smitty, "Do you think it's weird that people know so little about you?" He replied, "I don't think people know too much about the way the whole damn country works." Hidden America intends to fix that.

Hidden America by Jeanne Marie Laskas: 9780425267271 ...

The cattle rancher/cowboy is one of the nine jobs that author Jeanne Marie Laskas spends a chapter bringing to life. The first time Jeanne Marie Laskas went into a coal mine, she was shocked by how white it was. Laskas, who was on assignment for GQ, asked the man next to her why the mine wasn't coal black.
