DF9 - MARSHALL JORDAN

A butterfly-inducing list of sinful exploits. Three gorgeous studs, looking to share. Can Payton win the ultimate wager? Or will love get in the way? When Payton takes a Corruption Quiz with her friend Kennedy, she scores abysmally low. So low she decides to spice up her life a bit - especially when the two friends place a bet as to who can most improve their score over the next thirty days. It starts with Jackson, the gruff, chiseled foreman in charge of renovating the Brooklyn apartment building Payton owns. It continues with Gabriel and Ethan - the sizzling hot guys in unit three. The men work both together and alone, competing hard to check off the many boxes on Payton's provocative bucket list. Bringing her to all new heights of overindulgence, along with Cameron, the big teddy bear who rounds out Payton's harem

of strong, fiercely-competitive men. If there's a winner at all... it's certainly her. But the situation is not without obstacles, and forces may be aligning against Payton from within her own apartment building. Can her four beautiful saviors make everything right again? And will Payton push far enough into her own secret fantasies to beat out her friend at their fiery, sultry bet? **THE WAGER** is a scorching, stand-alone reverse harem love story filled with suspense, humor, romance, and smoldering bet-winning action hot enough to turn your kindle into a puddle of molten slag. HEA guaranteed! Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy.

The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edge-play, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knife-play, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, blood-play.

Three sexy actors. One curvy English teacher. An impossible rule just begging to be broken... When my boyfriend dumps me, I need a new place to live, fast. Luckily my best friend offers me a solution: move in with her brother and his two roommates in his Malibu beach house. Sounds good, right? Except my new roommates turn out to be three of the hottest actors in Hollywood. Each one is gorgeous, rich, and famous - and they're all off-limits because there's only one house rule: no sleeping together. They could have any woman in the world, but to my surprise they each want

me. Soon there's a new rule: whatever I do with one guy, I do with all of them. There's no way this can end well, but how am I supposed to choose just one of my sexy-as-sin roommates? Unless I don't have to choose...

I may have won The Damning.....but the games have only just begun. Forced to participate in seven tasks, each designated by one of the seven kings, my life has just become exponentially more complicated. First task? Travel to the Mermaid King with my mate and his sadistic brothers and kill a nameless, faceless, non-existent man. Easy. But the kings aren't the only ones playing games. Someone wants me dead. Someone who is willing to resurrect dead supernatural creatures in order to achieve their goal. Oh and Bash is still being an ass. What's new? One thing becomes clear: I have to decide if I'm going to accept the mate bonds or forsake my destiny. All I wanted was to be a good little assassin and kill some Nightmares. Why does my life have to suck so hard? This is a reverse harem series featuring a kickass assassin and her seven deadly lovers. These books contain scenes that might be triggering for some readers including strong language, sexual situations, and violence. Reader discretion is advised.

One ripped, gorgeous groom. Two sizzling hot best men. Addison is about to embark upon one legendary honeymoon... When a pre-wedding fantasy becomes reality the very night before her nuptials, Addison is hotly shared by groom and best man alike. Their sizzling romp invokes such a secret, insatiable hunger, that before they know it everyone is ravenous for more. Cue the honeymoon, set atop a breathtaking Greek villa outside Athens, overlooking the Aegean sea. Three best friends who

grew up sharing everything together end up indulging in the ultimate of all carnal pleasures... sharing the same beautiful wife. Damon is the loving husband and near-professional athlete, all muscle and sinew and yet damaged in ways only Addison can heal. Saxon is the gorgeous 5-star chef of various Las Vegas restaurants, complete with shredded abdominals and a lady-killing smile. Finally there's Finn, the roguish renegade. Fleeting and enigmatic, his shimmering emerald eyes betray a secret restlessness that always kept him from true happiness... until now. Scattered across the globe, three lifelong friends come together to forge an unspeakably hot connection with a single incredible woman. Taking her. Possessing her. Each sweltering summer night its own butterfly-inducing journey into sharing her in every way, emotionally, physically, and more. Can four loving friends form an unorthodox connection that will last a lifetime? Or will the secrets that drove them apart keep them from attaining their ultimate goal? One Lucky Bride is a sizzling, stand-alone RH love story filled with romance, humor, suspense, and unimaginably hot action so crazy, so intense, it'll burn the pads off your fingers as you turn the pages. War is hell. A war built from reckless fae magic is total annihilation. Even the gods are turning their backs on the dwindling race of mortals. But Kara and her friends refuse to let the world crumble without a fight. An unlikely friend offers them one thing. The mysterious gift might be their last hope. There will be destruction. There will be bloodshed. There will be death. Kara must decide what she's willing to lose to save the ones she loves.

My blood is their salvation... and my ruin. For years, the monsters who killed

my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood. Until one evening when four eerily gorgeous men break me out of my prison. They give me a soft bed and delicious food. They say they'll protect me-but their generosity may come at a price. My rescuers are monsters like my captors: fae who shift into wolves. A curse gripping the faerie realm turns them wild under the full moon. Only my blood can cure their rage. These fearsome men need me, and not just to lift the curse. A tragedy left them outcasts, and offering me to their rulers could win them back the home and the power they lost. No matter how kindly they treat me, no matter how their smoldering eyes and strong hands stir unfamiliar desires in both my body and my heart, their castle is just another prison. As long as I'm a prize more than a person, my life will never be my own. I've survived this long without giving up. I won't roll over now. But how can one damaged human girl hold her own against the savage fae? *Captive of Wolves is the first in a new paranormal romance saga featuring possessive wolf shifters, fraught fae politics, and a wounded heroine coming into her own. Grab it now and get swept away in the fantasy!*

Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital.

From New York Times best-selling author Lexi Ryan, Cruel Prince meets A Court of Thorns and Roses in this sexy, action-packed fantasy about a girl who is caught between two treacherous faerie courts and their dangerously seductive princes. Brie hates the Fae and refuses

to have anything to do with them, even if that means starving on the street. But when her sister is sold to the sadistic king of the Unseelie court to pay a debt, she'll do whatever it takes to get her back--including making a deal with the king himself to steal three magical relics from the Seelie court. Gaining unfettered access to the Seelie court is easier said than done. Brie's only choice is to pose as a potential bride for Prince Ronan, and she soon finds herself falling for him. Unwilling to let her heart distract her, she accepts help from a band of Unseelie misfits with their own secret agenda. As Brie spends time with their mysterious leader, Finn, she struggles to resist his seductive charm. Caught between two dangerous courts, Brie must decide who to trust with her loyalty. And with her heart.

Nowhere is safe when the gods are wicked. Since the beginning of times, there have always been two sides: Norms and Idols. But never have the scales been so unbalanced as they are today. I'm a Norm, which means, I grew up in fear of the Idols and their godly powers. And now, I'm going to be surrounded by them, day and night. I've been offered a place at the prestigious Gifted Academy, an opportunity very few Norms get. To survive, I must become invisible. But my hope to get through the academy unscathed goes down the drain when the most powerful boys in school set their eyes on me. They hate me simply because I'm a Norm. If they knew who I truly am, they'd tear me apart limb by limb. But I'm done cowering away from Idols. It's time for the Norms to fight back, and it all starts with me.*Alternate cover.

girl is a reflection of the coming-of-age of a young girl through poetry. It is the journey of the battle of addiction in

many senses—to substances, people, and ill behavior—followed by the path of discovering the true meaning of her life as well as the pain of love and her travels to a better existence. A part of me struggled to write this book. The pieces of this story are parts of my life I wish never existed. However, I want to share my journey so young girls and boys can read my words and feel understood. So to you, the reader, this one's for you. May you take a little piece of my heart with you as you read, and know we are all golden children wrecked in silver. I hope you find all the good things in life.

Three gorgeous businessmen, looking for a surrogate. One headstrong woman, bent on a selfless act. What do you do when business becomes pleasure? Jordyn never expected to play the surrogate for one, much less three of the hottest real estate developers in upstate NY. Yet with their picturesque mansion and live-in amenities? She quickly falls into the most amazing - and unorthodox - of all arrangements. But when the original egg donor bails and she takes on that role as well, Jordyn is faced with a butterfly-inducing decision: continue solely with bi-monthly IVF treatments... or go the natural route and get pregnant organically... with all three of them. The choice is easy, when undeniable chemistry runs headfirst into weeks of pent-up longing. So when limitations are removed and barriers drop away? Jordyn finds herself the sizzling center of a guilt-free, no-strings attached situation in which she - and her most far-flung fantasies - are indulged, triple time. Aiden is the blue-eyed wildchild, and Elliot the reserved yet surprisingly fearless world-traveler. Connor is the ripped, sizzling Irishman, with an intoxicating accent and a shredded athlete's body to match his razor-sharp tongue. Together they take

Jordyn on an emotional roller-coaster ride, from the dark secrets of her calloused past to the modern-day wounds the four of them must deal with together. Can three lifelong friends find happiness - and love - in the arms of a spitfire, daredevil of a woman? Or will the ghosts of their previous endeavors threaten to keep their arrangement strictly business? SURROGATE WITH BENEFITS is a smoldering reverse harem love story packed wall-to-wall with humor, suspense, sugary-sweet romance, and stomach-fluttering action. HEA guaranteed!

With every circle, hell is getting hotter... Ciera and her three companions are travelling further into the nine circles, more determined than ever before. But it isn't just demons and trials they have to worry about, the Devil has set his eye on Ciera and is doing everything possible to stop her succeeding. She's determined not to let him, and with her men by her side, and her new talents emerging, there's nothing Ciera can't do. But there's always a price to pay in hell.... A reverse harem based on Dante's Inferno, but with a kickass heroine instead of a lovesick old poet. Book two of the Infernal Descent series. Also available as audiobook! I never expected my life to go up in literal hellfire. The Dark Moon should be the best night of my life as a shifter. Instead, my sweet little house cat just combusted into flames in the middle of my bedroom, my tormenting alpha says he's my mate, and three hellish men just blazed into my life like sinful gods. It's fine. Everything's fine. No big deal. Except rejecting the alpha who's determined to make me his whore ends worse than I ever could have imagined... With nowhere left

to run, I'm forced to acknowledge the gorgeous existence of the three dark stalkers hunting me. They offer me something I can't ignore: protection in the realm of Hell... as well as answers about my past. My magic and my wolf grow stronger, fiercer, and deadlier in their presence. She settles right in with this murderous pack of misfits. But I'll never trust them. Because the four of us together are like fire and gasoline. And in the end, we'll all go up in flames. "MY ONLY CRIME WAS LOVING YOU..." Aristia la Monique was the child of prophecy, raised to be the companion of the future emperor—until she wasn't. When the actual child of prophecy appears on the palace grounds, Aristia is immediately cast aside by both fiancé and country and forced to watch as Jieun is handed the love, future, and throne that was supposed to be hers. Her only reward for a lifetime of obedience is death... or rather, a second chance at life! When she unexpectedly wakes up in her ten-year-old body, Aristia resolves to escape the shackles of prophecy no matter the odds. This time, she'll take fate into her own hands!

What do you give the three chiseled hunks who invite you to share their snowy mountain cabin for the holidays? Anything they want... They're the three hottest guys in the office. Gorgeous, hard-bodied loners who always spend the holidays together, traveling to exotic places for excitement and fun. Only this year... they invited me. When I took the place of Desmond's ex-girlfriend on the

guys' annual trip, I didn't expect much more than a fun time. But then I found Emma's journal... and read all about the molten adventures she'd experienced with all three of them. Now I want the same thing she got for Christmas. From skiing at Stowe to the hot tub behind the cabin, things get so heated I can barely take it. And when a blindfolded kissing contest has me practically melting away in their arms... will I have the guts to ask for what I want? Snowed into a cozy cabin for Christmas with three times the love, three times the attention. Three musclebound friends and an unspeakably hot diary detailing all the incredible, butterfly-inducing things they've done before. Do I dare tell the boys I've read Emma's journal? That I want to be taken by them. That my deepest, darkest desire is to give myself over to them, mind, body and soul? The Christmas Toy is a sizzling, stand-alone RH romance filled with love, humor, suspense, and fiery holiday action hot enough to burn a hole straight through your Christmas stocking. Bend me. Break me. Reject me. The vampires of Crimson City will use me in any way they can to deceive their council from the mysterious murders staining their hands. They need me. But that will never mean they want me. A human. They say I'm beneath them. A weakness. A disgrace. A prey to be hunted. If I'm so weak, why did the mating mark choose me for not one but two of their kind? If I'm so unbearably fragile, how did I steal the heart of the demon prince they keep locked away like a dirty little secret? And if I'm a prey to be hunted... Then why are they so afraid of this pretty little human now? This is book one of a biting, thirst trap of a reverse harem vampire series, recommended for readers 18 and over.

Wolves, Vampires, Demons and Humans will love to hate one another in the best possible way. If rejected mates, bully, or brutal enemies to lovers doesn't make your heart race wild, then this series isn't for you. Reading Order Sleepless Beauties Heartless Monsters

You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some Lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means... Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

What could be better than falling into bed with a seriously hot guy? Waking up sandwiched between three of them. It started with an article - the most important one of my life. It ended with me in bed... with three ripped, beautiful men. A trio of gorgeous best friends, who shared absolutely everything. There was Adam, the shredded blond Adonis, hellbent on saving his father's construction company. Dante, the dark-haired pretty boy, with heart-stopping good looks and a devilish smile. Finally, Trey. Six-foot five, with shoulders that stretched on forever. A three-letter athlete with an engineering degree from Cornell, hiding his own twisted secret from the world. I never meant to get attached to them. They weren't supposed to fall for me. We got caught up in the chemistry; a dripping hot whirlwind of twos and threes and fours. And me, caught in the eye of the whole wicked hurricane. Torn between the sanity of normalcy, and the forbidden heat of my deepest, darkest desires. SHARING HANNAH is a scorching, stand-alone reverse harem love story filled with humor, suspense, and sizzling hot scenes, molten enough to melt your kindle. HEA guaranteed!

The fae world isn't fueled by magic. It's fueled by fear. The Hopeless realm isn't at all what Zakara expected it to be. And neither is she. The powers of the Eminence are hard to harness and she needs them now more than ever. Survival of the human world suddenly depends on her. But more dangers lurk in the realm than they realize. This is a reverse harem series, recommended for readers 18 and over.

There's a dark secret inside of me. A monster clawing to get out. I was thrown out of the fae world because of it. But I'm back now. Three brooding demons

and a sinful incubus returned me to my sweet little homeland. And I'll finish what I started all those years ago. Sure, maybe my delicate fae features are twisting into spiraling horns and demonic eyes, but that won't stop me from righting my wrongs. The Queen of Hell might possess my body but the deadly vengeance in my blood is my own. The Prince will die by my hand for what he's done. All I have to do is make sure the creature at the back of my mind doesn't kill me first. "I know you're a virgin, Lydia, so I'll try not to hurt you--too much." ***** Lydia has been chosen by the Alpha King to become the breeder for the four most promising Alphas in the kingdom. She is the daughter of an Alpha whose pack is failing and needs the money promised for successfully bearing an heir. Lydia is a virgin, and this assignment is terrifying to her, but she wants to help her pack. At the palace, she is introduced to the four Alphas: Luke, Jeremiah, Preston, and Isaac. They are all powerful men with different personalities, and she is attracted to all of them. During a medical exam, Lydia finds out that she has two uterine horns, like a wolf, which will make it easier for her to become pregnant. As the relationships heat up, Lydia finds herself falling for all four men. Whoever impregnates her first will become king, but when she discovers she is pregnant, she is shocked at the paternity! With other Alphas moving in, hoping to claim the throne Lydia and the Alphas must stand together and fight. Will Lydia and her men prevail?

It was like being worshiped. Cherished and celebrated and fulfilled, by three of the most beautiful men I'd ever laid eyes upon... All at the same time. It was supposed to be fun - a holiday break from studies in the Italian Alps. Yet when a remote college ski tour is shattered by a horrific avalanche, mild-mannered Morgan finds herself trapped in the frozen realm of an abandoned hotel... alongside three alpha fraternity brothers who hold a vendetta against each other! Enter Shane, the restless, brooding outdoorsman from Minnesota. Jeremy, his blue-eyed model of a fraternity brother, almost too gorgeous to look at! And finally Boone, the legendary tattooed alpha from a much darker inner circle... who might not be even remotely what he seems. As the snows continue to fall and danger lurks around every corner, survival depends upon complete cooperation. Yet as Morgan is forced out of her shell, and faces her own budding attraction for exactly the type of men she's always avoided? Their own competitive jealousy over winning her drives them to a wickedly intriguing proposition... Bunker down with self-described 'geek' Morgan and her three gorgeous studs as the blizzard of the century threatens all chance of rescue. Will irreconcilable differences tear the whole group apart? Or will the guys find common ground in their shy but beautiful co-ed - the only one with the skills and knowledge that could ultimately save them all? Snowed In is a sexy, stand-alone reverse harem romance filled with humor, danger, and generous amounts of love. It also contains blistering hot MFMM menage sex, in single and multiple partner scenes so molten they're bound to melt your kindle! HEA guaranteed.

Being trapped under house arrest in a haunted Victorian seems like a Hal-

loween nightmare. But not when Silvana's got three VERY sizzling locals to keep her company... Inheriting my great-grandfather's mansion seemed like the perfect escape from my troubled past, especially since I could renovate while under house arrest. But when I left warm, sunny Miami for a cold house deep in the New Hampshire wilderness? I had no idea what I was getting myself into. Enter Cyrus, the leather-clad, motorcycle-riding loner who just so happens to have contracting experience. Between his piercing ice blue eyes and those of his broad-shouldered, just-as-gorgeous friend Nolan, the sheriff's deputy, the two of them are willing to take turns keeping me in line. Then there's Hudson, spiritualist and amateur ghost-hunter, the third friend to round out their hot little trio. With jet black hair and dark, glimmering eyes, I find myself melting into a puddle whenever I'm around him. Or any of them, really. But especially when all three are with me at once. It's all fun and games until my past shows up to drag me back into trouble, which was bound to happen. And the old Victorian my great-grandfather built holds secrets of its own, some of which are as fascinating as they are terrifying. Can a girl find love wearing an ankle-monitor with a radius three beautiful hunks wide? Or am I doomed to spend Halloween in my haunted house in the darkened wood all alone? Set in the small town of Gopher Prairie, Minnesota, the Main Street takes place

in the 1910s, with references to the start of World War I, the United States' entry into the war, and the years following the end of the war, including the start of Prohibition. It relates the life and struggles of Carol Milford Kennicott as she comes into conflict with the small-town mentality of the residents of Gopher Prairie.

What's more powerful than magic? Revenge. King Tristan wasn't prepared for a prisoner quite like Zakara Storm. The three beautiful fae men led her to her imprisonment and it's hard to see who is friend and who is foe in the dangerous and destructive kingdom. A savior is all the humans want. Freedom is what the fae seek. Survival is all Zakara knows. She'll survive, even if she has to watch the whole world burn to ash.

The brilliant, controversial, bestselling critique of American culture that "hits with the approximate force and effect of electroshock therapy" (The New York Times)—now featuring a new afterword by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that "hits with the approximate force and effect of electroshock therapy" (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom's argument caused such a furor at publication and why our culture so deeply resists its truths today. "I have two weeks to protect myself from

three horny, blackmailing vampires and their fangs." If I don't obey them, the Stryx brothers will unleash my terrible secret. A secret that will get me executed. Or worse. Nero, Dante, and Raphael have trapped me right where they want: kneeling at their gorgeous feet, their unwilling slave. They have my body, my obedience, and now they want my blood. How long before I stop resisting their seductive games? I must awaken my magic and fend them off before their kisses turn deadly. *Ensnared* is book two of a reverse harem PNR academy bully romance series. It contains cursing, dark themes, and sexual situations.

Three ripped, gorgeous Navy SEALs. One sizzling night of ultimate, carnal pleasure. Who would've thought hitting rock-bottom could be so much fun? With her parents both gone and her brother KIA, Dallas Winters leads a cold, lonely existence. That is, until a trio of elite SEALs rescue her from a crack team of unknown assailants, hellbent on capturing her for reasons even they don't yet understand. Enter Maddox, the chiseled blond leader of the group, who explains that her brother tasked them with protecting Dallas shortly before his demise. Along with Austin, olive-skinned and beautiful, and Kane, the brooding alpha giant, these three powerful soldiers have been guarding Dallas longer than she even knows... and will continue to do so, until every last one of their enemies are vanquished. Yet when a single night of weakness ignites a powder-keg of irrepressible sexual attraction? Dallas finds herself adrift on a glorious sea of passion, sinew, and man-muscle. Jealousy is thrust aside as her three gorgeous roommates offer a sinfully unorthodox solution: sharing Dallas together, fully and completely, in every possible way. Satis-

fighting the needs of three strapping warriors is fun at first, as Dallas is put through the exhaustingly delicious paces of being a shared girlfriend. But the sinister forces aligning against them have other plans, and even Dallas herself harbors a hidden, yet undiscovered secret... Can three brothers-in-arms love and protect one beautifully headstrong woman, while fighting off the same treacherous mercenaries responsible for their comrade's demise? Or will their budding four-way relationship - filled with lust and sharing and love - be doomed to failure before it can even truly begin? PROTECTING DALLAS is a sexy, stand-alone military reverse harem romance filled with laughter, drama, heart-pounding excitement, and enormous amounts of love. It also contains blistering hot MFMM menage sex, in single and multiple partner scenes, so molten they're bound to melt your kindle! HEA guaranteed.

Heaven and Hell are suddenly one and the same...The Bliss as they call it isn't a perfect nirvana. It's conniving and twisted torment waiting for me to fall into the councils claws at any moment. But I'm not sticking around to be their newest torment target. I've got my own kingdom of doom to deal with. And saving the lives of those deliciously wicked men of mine is more important than the inevitable deadly chaos in all the realms. If life really was a fairy tale, Zakara would never be the damsel in distress. She'd be a thief, and Prince Charming wouldn't have a clue how to steal the heart of the conniving criminal. Zakara

saves not one, but three men locked inside the tallest tower. Her first instinct is to ditch them as soon as possible, but they have one thing that intrigues her more than wealth: Magic. Fae magic once ruled the world, until it disappeared without a trace. Only myths of the magic wielders linger in their destroyed society. The three prisoners claim to be fae, but she doesn't trust them. She doesn't trust anyone. Can Prince Ryder convince the pretty thief to lead them to the Hopeless City? Or will she kill him before they even arrive? This is a reverse harem serial recommended for readers 18 and over.

We shared the same grim goal: the destruction of Xander Kyrkos. It was only a matter of time before we shared each other... Two gorgeous Navy SEALs, with the same grim vendetta. A strapping Army Ranger on a mission of unimaginable vengeance. They saved me from my own destruction. Took me under their wing... and then into their beds, as well. Now they share me together, mind, body, and soul. As girlfriend. As lover. As the partner who binds them, writhing helplessly beneath their panty-dropping good looks and dripping hot touch. Holden is the square-jawed leader, strong and beautiful, tormented by an inescapable past. Randall is the pilot - a total loose cannon - sharp-tongued, tattooed, and devilishly handsome. Finally there's Marcus, the silent giant with a chest and shoulders to die for. An ex-Army Ranger turned dark mercenary, struggling desperately to right his wrongs. Four damaged people, bound by the same promise of revenge. Coming together after having our lives shattered by three horrific events... forged by the fires of tragedy and passion, into unstoppable weapons to accomplish our ultimate goal. Can one girl be this insanely lucky?

I, Braxton Fawn, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented-they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+.

With his relaxing life as a ranch hand in a peaceful corner of the Shiyalta Kingdom far behind him, Yuri Ho has begun training at the Knight Academy so that he might someday succeed his father as ruler of Ho Province and commander of the family's forces. At school, however,

Yuri quickly encounters a serious problem. Because he's skipped a good portion of his credits and the martial arts training is a breeze compared to the practice he received under his family's veteran soldiers, he has ample free time every afternoon. For an enterprising young student with memories of modern Japan, this ought to be the perfect opportunity to take the city by storm. Yuri courts some novel business ideas, but will his disruptive commercial models really stand a chance in a city as corrupt as the royal capital? The kingdom's witch families are determined to maintain the status quo, and they're not known for fighting fair!

Witty servant meets the brother of Chaos and one prank gone wrong later they're all in the kind of mess that is unravelling an entire magical kingdom. Shade, an orphaned servant, who unknowingly carries deeply hidden secrets. Four Elite brothers from a long forgotten magical kingdom who rescue her, almost by accident, from her abusive master. Alpha and overprotective male lead, who knows from the beginning he needs to push her away but just can't resist. The kingdom is in the hands of a tyrant who literally controls death itself and is on a slow, torturous, killing spree. Reverse-harem plot from book one. Laugh out loud funny Dual or Multi POV after book one Slow-burn, the relationship and plot development are given real detail (full sexual content by book four) Full length novel at 80k + for book one. 100k+ for book two, and 180k+ for book 3.

After dying from a strange terminal illness, Ling Lan was reborn into a world 10000 years into the future. Although she dearly wished she could just live a peaceful and uneventful life in her new healthy body, fate had other plans ...

Forced to disguise herself as a boy just so she could inherit her deceased father's premium military benefits, Ling Lan's journey to adulthood was full of challenges. After much difficulty, she finally turned sixteen when she could drop the charade. But before she could grasp her newfound freedom to get married and start her own family, a twist of fate results in her being thrown into the Federation's top military boys' school. With these twists of fate, Ling Lan had little choice but to walk further and further down a path of no return, one of cold and aloof dominance ...

A lifelong friendship that became a rivalry. Three gorgeous specters of my past, hellbent on winning me back. Who knew coming home could be so deliciously complicated? When the funeral of a childhood friend brings Kayla back to North Glade, she's forced to face the very reasons she left. And when three sizzling exes reveal they still harbor feelings for her? The men come up with a very unique way of determining who gets their shot. There's Warren... her first in every way. Whiskey brown eyes. A lady-killing smile and a roguishly handsome face, set upon shoulders to die for. Then there's Luke, tall, blonde and perfect. Warren's best friend... at least up until he and Kayla shared that smoldering hot summer together, just after their breakup. Finally there's Adrian, the brooding tattooed god. Thick black hair with mountains of muscle; a friend with benefits so raw and savage Kayla could never hope to resist - nor would she ever want to. Choosing between them becomes an impossibility... until a very unorthodox solution presents itself. One that leaves Kayla breathless and filled with butterflies, while fulfilling every last

one of her far-flung fantasies. But North Glade still harbors its own share of mysteries, as outside forces begin aligning against their tight-knit little group. Will Kayla stay long enough for one of her suitors to win her heart? Or will a more unconventional arrangement present itself... one where she gets to eat her cake and have it too? THE BOYS WHO LOVED ME is a sweltering, stand-alone reverse harem love story filled with suspense, humor, new adult romance, and enough molten hot action to melt your kindle (author not responsible for molten kindles).
