522 - NICOLE HOLT

Want to be an effective, successful and happy academic? This book helps you hone your skills, showcase your strengths, and manage all the professional aspects of academic life. With their focus on life-long learning and positive reflection, Alex and Bailey encourage you to focus on your own behaviours and personal challenges and help you to find real world solutions to your problems or concerns.

1. Focus on the positive. To find long-term happiness, you need to retrain your brain from a nega-

tive mindset to a positive mindset. Try these things: Spend one to two minutes looking for positives...

~~4 Ways to Be Happy - wikiHow~~

How happy are you—really? If there's room for im-

provement, then Gretchen Rubin has some suggestions for how to be happy. A few ways to be happy can't immediately fix everything, but they can give your happiness boost and help you move closer to a happy life. At the very least, you can rest assured that you're at least working toward figuring out how to make yourself happy.

One key to being a happy single woman is to be comfortable spending time alone with yourself, understanding that you don't always need to be around others. You will ultimately discover qualities about yourself that you love, and some that you'd like to change. This process of self-discovery is invaluable to truly being a happy, single woman. 2 ~~How to Be Happy: 8 Ways to Be Happier Today~~
