Hush, Hush is the story of Nora Grey, an average high school student going about her business as usual -- until her Biology teacher rearranges the class seating and places her next to the dangerous-looking new kid, Patch Cipriano. Nora gets a weird feeling from Patch, and things just keep going from bad to worse as Nora becomes convinced that she is being stalked, and may even be the target of murderous intentions.

Hush, Hush by Becca Fitzpatrick deserves a solid 5 star rating! Just the prologue is intense enough to make me want to read the book in one sitting. I have heard nothing but great things about the Hush, Hush series from my library patrons. Nora and Vee are best friends in their sophomore year of high school.
