As a matter of fact, my Equifax score went from 604 to 644 in only 24 hours! Like a thermometer next to a blue-hot flame, my score shot up 40 points, literally, overnight. I went back to my loan officer, and he was flabbergasted.

How I Raised My Credit Score 40 Points in 24hrs.

I rented a car on a Saturday for 24 hours from a local office of Enterprise Rent-A-Car not far from where I am based for me to take a day trip where the destination is four hours away — meaning I was to spend approximately eight hours driving in a car. New cars can depreciate as much as 50-70% in the in the first 2-3 years. As a result, insurance payouts can be much lower than the vehicle purchase price-even for those with full coverage. GAP (Guaranteed Auto Protection) insurance is additional protection to cover this "gap" between what one owes on a financed vehicle and its actual cash value, which is usually lower.
