Gregg A. Ten Elshof is professor of philosophy at Biola University, La Mirada, California. His book I Told Me So: Self-Deception and the Christian Life won the Christianity Today 2009 Book Award in the Christian Living category. 2009

Shocked residents told how a couple (pictured, right) had been having late night drinks with neighbours in their garden, in breach of the nationwide lockdown over coronavirus. A stranger, who ...

In I Told Me So Gregg Ten Elshof reintroduces readers to self-deception and offers an explanation for its recent neglect in Christian thought. He describes conditions that tempt us to deceive ourselves and points out where they exist in contemporary Christian life.

I done told you so. Come on, girl, you ain't goin' nowhere (Sit on down, woman, you know can't leave me) All this money I'm spendin' on you (That's right) I told you so You could never let me go (I) 'Cause I told you so I done told you so. You could never, never, ever Yeah, yeah. I told you so You could never let me go (I) 'Cause I told you so ...

I Told Me So provokes thought and good self-reflection. The author writes carefully and builds a convincing case. Strengths: we all know that self-deception rules the human heart. We see it in everyone around us, and if we are honest we know it must live in us too. He shows how deception works and the tools we use to feed our deceptive views of ourselves. Weaknesses: I thought he could have ...
