Investigating Culture Notes - Stuvia

Investigating Culture offers an innovative approach to understanding culture as a constructed phenomenon open to investigation of its implicit premises and explicit forms. Provides a refreshing alternative to traditional textbooks by challenging students to think in new ways and to apply these ideas to their own lives Focuses on the ways that humans orient themselves, e.g., in space and time ...

Investigating Culture

Investigating Culture focuses on the variety of ways that humans orient themselves, in space and time, by means of language, the body, the structures of everyday life, and the symbols of religion and public ritual. Each chapter includes an introduction outlining the central issues, examples from a variety of cultures, supplemented by selected classic readings, suggested additional readings, and a series of exercises designed to make the analysis of culture personally accessible.
