Investment Science: David G Luenberger: 9780195685749 ...

I have no doubt that he is an intelligent man and an expert in the field of Invest-

ment Science, but I confidently claim that he is a terrible educator and author. This is a book of scratch work, not an intro book for a beginner in the field of finance.

Amazon.com: Investment Science (9780199740086): David G ...

The book also examines where the field might be headed in the future, and goes much further in terms of mathematical content, featuring varying levels of mathematical sophistication throughout. End-of-chapter exercises are also included to help individuals get a better grasp on investment science.
